## Ginger's Breadboys® adds Star Bright Farm to Retail Lineup

[Ginger's Breadboys](#) is excited to announce a partnership with [Star Bright Farm](#) for the 2022 Holiday Season. Star Bright Farm will begin carrying Ginger's Breadboys gingerbread cookie and house kits in their [Barn Market](#) as early as October 2022.

Star Bright Farm is a certified organic herb farm located in the hills of northern Maryland. Their products are made from pure ingredients grown on the farm and offered for sale in the Barn Market along with products for the garden, home, and pantry. Owner Helen Norman felt that Ginger's Breadboys was a great fit with their existing product line and lifestyle approach and a perfect seasonal holiday offering.

Star Bright Farm will carry [the original classic Gingerbread Cookie Kit](#) in regular and gluten free and the new [Gingerbread House Kit](#). The House Kit—introduced in 2022—notably makes **two large (5" x 7") gingerbread houses** and comes complete with enough candies and tools for [numerous creative decorating options](#). Both kits offer a kitchen activity for family and friends that sets a tradition during the holidays.

As with all cookie kits from Ginger's Breadboys, the Gingerbread House Kit is sustainably packaged in the large rectangular tin that has become a signature brand element for Ginger's Breadboys.

The Barn Market is open Saturday and Sunday from 11:00 a.m. to 4:00 p.m. and during all events and workshops. Private shopping by appointment.

As in past years, Ginger's Breadboys will continue partnerships in the DMV with [Shop Made in DC](#) (Georgetown location) and [The Capital Candy Jar](#) on Capitol Hill.
