Things to know when planning an event:

When hosting at an event venue, hosts must work with licensed and insured caterers and serving staff.

Bonheur White Glove Serving Staff, Inc. provides certified and insured mixologists, chefs and service artists to serve at your next event (private, social or corporate). Our staff are competent, confident and caring individuals and work diligently to ensure guests have a memorable experience at an event. Bonheur service staff are professionally dressed and upon request, we will coordinate our uniforms with your event theme (Hawaiian shirts, sports team jerseys, masks, etc.).

Service artists will set up and replenish the buffet, pass hors d'oeuvres on real silver serving platters wearing white gloves (upon request), pick up dirty tableware, pack up leftovers and wash dishes (as required).

Mixologists will set up the bar, serve specialty cocktails, pour champagne and serve beer, wine and mixed drinks. We provide bar tools and beverage bins for your event.

We will work with you to determine adequate staffing for your event. Staffing is based on the number of guests, type of event, food service (buffet, individual service, family style) and type of dinnerware (disposable, rented, or china).
