

Waveband specialized accessories
Designed for Casino Personnel

***“When
Reliability
Counts
Choose
Waveband”***

Casino visitors come for enjoyment, and fun. They want to feel safe while escaping the stress from everyday life. In operating a casino you need to be able to maintain such an environment, but unruly visitors, medical events, and criminal activity can cause havoc. Having constant communication between departments are one of your top priorities. That's why Waveband Communications accessories provide durable, reliable, two-way communication devices that can help you keep your business running safely and at its full potential.

Batteries

HIGH CAPACITY

Our batteries have been in use for nearly 20 years and are relied on by some of the most recognized casinos in the world.

KEY FEATURES

- ✓ High Capacity batteries provide long talk times in between charges.
- ✓ All models incorporate Japanese cells for optimal performance and longer cycle life.
- ✓ Snug fit with OEM two way-radios including Motorola, Harris, Kenwood, and Vertex Standard.

Ear Inserts, Ear tips, Ear plugs

IMPROVING COMFORT FOR HOSPITALITY PERSONNEL

Flexible open ear inserts are made from hypo-allergenic plastic that is ultra flexible to conform with the shape of a user's ear. This makes them more comfortable to wear and also protecting your ears from day to day noise. Our ear plugs are recommended for anyone working in loud areas for long periods of time like public safety, manufacturing, security, construction and more.

KEY FEATURES

- ✓ Hypo-allergenic plastic
- ✓ Fit securely over acoustic tube elbow
- ✓ Comes in 3 sizes
