

TWO WAY RADIO ACCESSORIES

Motorola APX 900 Radio Accessories

Waveband Communications was founded in April, 2002 to custom engineer and deliver products that better service two-way radio accessory needs. We're proud of our products, services, warranties, performance and reputation. Here are product and performance comments from customers who actually use and purchase Waveband Communications Two-Way Radio Accessories.

— “ —

"Very nice mic, however we had 2.5mm earpieces and this mic comes with a 3.5mm port they do not fit with our current earpieces. Great audio quality and mic has stood up in all types weather rain, heat, cold, etc."
