

*Waveband specialized accessories*  
**Designed for Police personnel**

***“When  
Reliability  
Counts  
Choose  
Waveband”***

Being a Police officer, your two way radio is your lifeline and failure when communicating is not an option.

The performance of your two way radio accessories is equally as important. Every battery, charger, audio accessory, and radio holster we offer is designed to offer optimal performance in the most demanding environments. All of our products undergo vigorous testing to ensure the highest level of dependability.

We offer products that are specifically designed to meet the demanding needs police professionals encounter on a daily basis. From 1, 2, and 3 wire surveillance kits, to noise canceling lapel remote speaker microphones, and headsets we have you covered.
