Waveband specialized accessories
Designed for security personnel
"When Reliability Counts Choose Waveband"

Security guards are a vital part to your business and can face many challenges throughout the day. That’s why it’s important to have the best, dependable two-way radio communication when problems arise. Two-way radios can assist with a more proficient and practical response to an emergency. Waveband Communications wants the best accessories for your business to run at an efficient pace with better protection. It is important for you to respond to any situation in a timely manner and as effective as possible. Our two-way radio accessories have been tested to provide the best possible range and noise cancelling features for a more clear communication.
Batteries

SECURITY FIT

Our batteries have been in use for nearly twenty years and are developed and tested with original devices and charging equipment. Wavebands battery packs are designed to prevent damage, overheating. Our batteries also last up to 48-hours.

KEY FEATURES

✓ Intrinsically safe batteries approved by SGS Laboratories.
✓ All models incorporate Japanese cells for optimal performance and longer cycle life.
✓ Snug fit with OEM two way-radios including Motorola, Harris and Kenwood.
