

# NEW POSTAGE OPTIONS FOR CANADA

- 1. United States Postal Service First Class**
  - a. This is the lowest price option and should be used first.
  - b. There is a four-pound limit on this option.
  - c. If this option does not display, it means it is over four pounds or is not available.
  - d. If the order is above four pounds, please choose one of the FedEx options below.
  - e. This option takes about two or three days longer than the FedEx options but is much cheaper.
- 2. FedEx Ground Canada**
  - This is the lowest cost of the FedEx options.
- 3. FedEx Ground International Economy**
  - This option is more costly than FedEx Ground Canada but offers slightly faster delivery.
- 4. FedEx International Priority**
  - This option is the fastest and most expensive option for Canadian orders.
