FRIDAY
Village play prompt:
Let's go searching for new friends to add to our insect garden!

SAT/SUN
Play insect Loteria together.

Week 1
unbox

build vocabulary

- Your box has arrived! Unbox it together and have fun exploring each item in your box.
- Read the illustrated book and reader at bedtime, quiet time, or snack time.
- Match your activity cards to the book and games. How many of each insect can you find?

Week 2
play

gross motor games

- Go on indoor bug hunts. Print the Friday freebie to move & play while you pretend to be insects.
- Hide the insects from your box around the room. How many can you find before the song ends?
- Place the bugs across the room. Hold out a card. Have your child run to catch the bug and bring it back to the you.
- Play follow the leader but as an insect! Pretend to be an insect & have your child follow you around the room.

Week 3
explore

Sensory activities

- Put together a sensory bin. Visit our Pinterest board for ideas.
- Hide your insects in the bin. Use tweezers or tongs to pull out one insect at a time. Match it to the card.
- Make habitat bins for the insects. Sort them into where they naturally live (dirt/brown paper, grass, flowers, etc).

Week 4
create

dramatic play

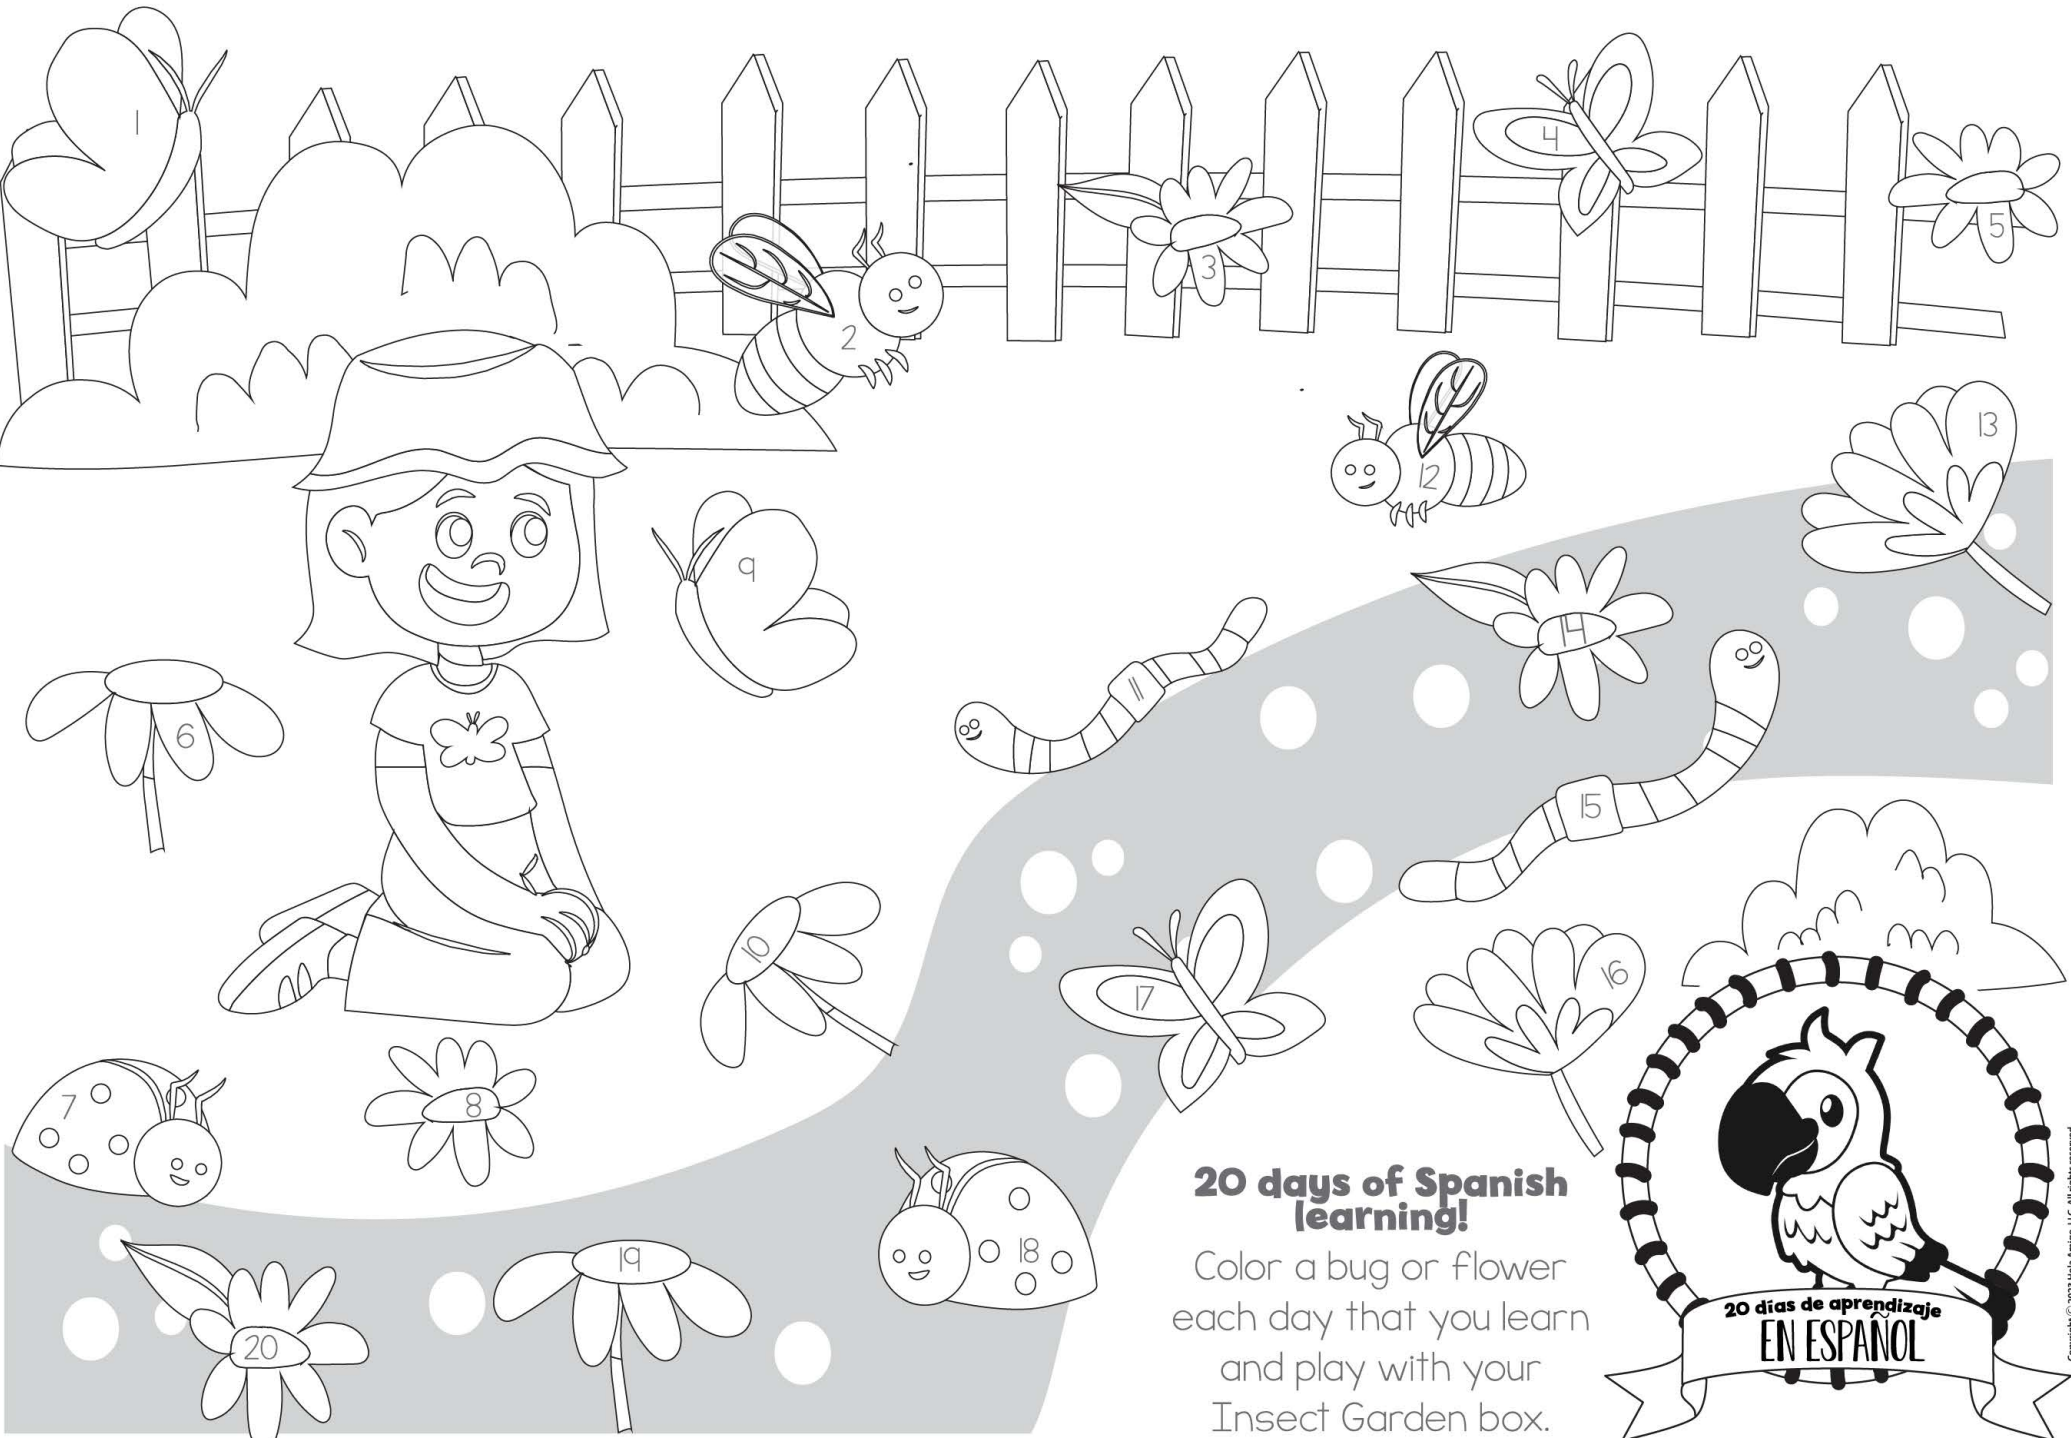

- Become an entomologist! Create an insect lab with the items in your box, printable pack, and your imagination.
- Go on adventures to gather supplies for your insect lab.
- Create an insect hotel to continue observing insects in your garden or use it for your paper insects.
