Approx. 3/4 yard (.75 meter)

## NOTES:

1. This pattern is drafted from a base size US 12 with an average height of 5'9" (175 cm). See Construction Notes on pg 7 for lengthening/shortening recommendations.

2. Choose your size based on your FULL BUST mesurement. The FULL BUST measurement in the chart above represents a range of B to D cup sizes, with a target ease of approx. 6" to 8" (20 to 25 cm). *See Finished Garment Measurements, pg 4.* 

3. Cut TWO lengths of elastic for the sleeve hem, one piece per wrist.

4. If using a directional print or pattern matching (with stripes, plaids, etc.), additional yardage may be required.

5. If using quilted fabric, it is recommended to *size up by one to two sizes* to accomodate additional loft.

6. Zippers come in standard lengths and will be trimmed to fit for most sizes.

7. Choose interfacing weight to coordinate with fabric weight (optional for knits, recommended for wovens).
