Fold or Cut Here

How to best measure your foot:

1. Print this document to 100% scale on 2 separate pieces of paper
2. Cut or fold page 1 (this page) on the dashed line
3. Place page 1 on top of page 2 and line up the dashed lines to complete the sizing chart
4. Place your heel on the bullseye
5. Measure foot to size line*

*this chart depicts the exact shape of the shoe insert, so place your heel where you'd like it to hit within your pair of Hari Maris & select the size that allows for the desired space around your toes. If between sizes, go up!
