CANVAS

Canvas is a heavy, closely woven fabric used for making sails, tents, and awnings where sturdiness is required. The word canvas originally comes from the word "cannabis" – the scientific name for the hemp plant. It is the fiber of the hemp that is used to weave this heavy and durable cloth for all kinds of rigorous use and makes a perfect leash and collar.

Bungee Bone

## THE HEMP DOT / THE BUNGEE-BONE / THE HEMP BISCUIT

Our toys are constructed with two 14 oz hemp/cotton canvas pieces and stuffed with our all natural hemp stuffing and squeakers. All the hemp textiles in our toys come from the stalk of the plant. The long fibers of the hemp plant are processed and woven into durable fabric. Our stuffing also comes from the stalk, but is completely unprocessed. Our hemp is always 100% naturally grown, chemical free and is non-toxic if ingested. However, we always encourage that pets be supervised in an interactive environment for safety. Machine washable for easy care, our toys are naturally anti-bacterial and resistant to mold and mildew.

*hemp rope*

**ALL NATURAL**  
FOR THE RUGGED PLAYER

Dogs love the natural "Earthy" smell and texture of hemp rope, and it promotes dental health by cleaning teeth and stimulating gums while they play and chew!

## HEMP ROPE TOYS

Our hemp rope toys are made with all natural, raw hemp fiber. Once a hemp crop has matured and been harvested, hemp primary fibers are separated from the hemp stalk through the "retting" process. Hemp is then gathered from the field where it is then made into yarn by hand twisting it into rope of varying thicknesses. Hemp is grown without harmful pesticides or weed killers and is not bleached like cotton rope. Chemical-free, non-toxic, and entirely biodegradable! Traditionally used for cordage on ships, hemp rope has always been valued for its strength and weather-resistance. Our rope toys are not only rugged, but thanks to the naturally anti-microbial properties of hemp, they are also resistant to mold and mildew making it perfect for your dog to play outside or inside!
