

Thank you for your purchase! If you need additional assembly instructions, visit our website at jerseygenius.com and click on the "assembly" tab for a live demo.

The JerseyGenius® can be hung using the included nail or if you would like to use an adhesive hook, we recommend the Command™ Brand General Purpose Large Hook. It's the perfect fit!

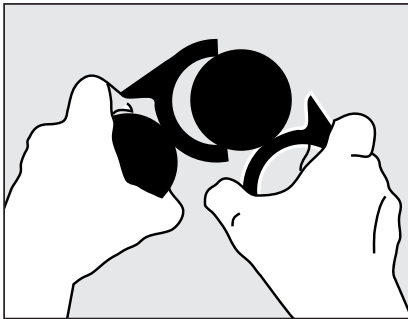

Email us a picture of your JerseyGenius® on the wall with your jersey at jerseygenius@chalktalksports.com. We would love to see your display and select photos will be chosen to be featured on our website!

ASSEMBLY INSTRUCTIONS

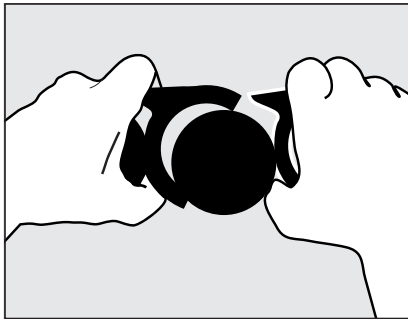

WARNING

You should not assemble JerseyGenius® before you have read and understood this instruction sheet. Failure to comply with the instructions contained herein may lead to an otherwise avoidable injury or accident.

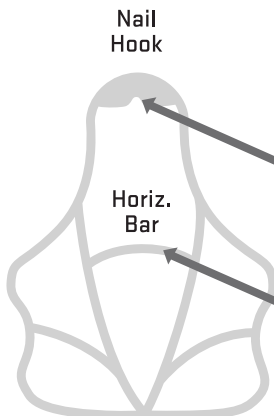

Please ensure proper hand position before assembling or adjusting JerseyGenius®.

HANGING INSTRUCTIONS

USING A NAIL

- Hammer nail into wall in desired location.
- Position JerseyGenius® so that nail hook on backside of shoulder bracket rests on top of nail.

USING AN ADHESIVE HOOK

- Attach adhesive hook to wall in desired location.
- Position JerseyGenius® so that horizontal bar on backside of shoulder bracket rests on top of hook.

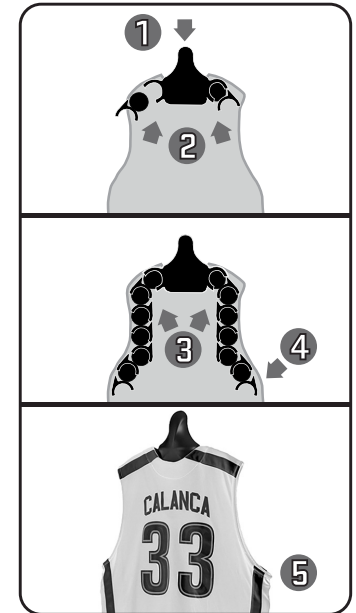

The PIVOT JOINT has a **STRAIGHT** side and a **CURVED** side. Follow the directions below to assemble JerseyGenius® for your unique garment.

INSTRUCTIONS FOR GARMENTS WITHOUT SLEEVES

(EXAMPLE: BASKETBALL JERSEYS)

- 1 Lay your garment in front of you on a flat surface (bed, floor, table) and place the shoulder bracket in between the two shoulder straps **ON TOP** of your garment.
- 2 Snap a pivot joint to each side of the shoulder bracket with **straight side** on top edge of garment.
- 3 Continue adding pivot joints to follow the shape of your garment's armholes. **Make sure to assemble the pivot joints with the straight side facing in.**
- 4 Once you reach the bottom of the armholes, add pivot joints **with straight side facing out.**
- 5 Slip the JerseyGenius® you made through the bottom opening of your garment.

INSTRUCTIONS FOR GARMENTS WITH SLEEVES

(EXAMPLE: FOOTBALL, BASEBALL & HOCKEY JERSEYS OR T-SHIRTS)

- 1 Lay your garment in front of you on a flat surface (bed, floor, table) and place the shoulder bracket in between the center of the collar **ON TOP** of your garment.
- 2 Snap a pivot joint to each side of the shoulder bracket with **straight side** on top edge of garment.
- 3 Continue adding pivot joints to match the length and shape you want for your sleeved garment.
- 4 Slide the JerseyGenius® display into one sleeve, then the other sleeve with the shoulder bracket poking through the collar.
