

# Near® Smart Surface Lamp

## Datasheet

**Product code**  
NSSL28CCT

### Electrical

|                                     |                            |                                    |   |
|-------------------------------------|----------------------------|------------------------------------|---|
| <b>Input voltage:</b><br>220 - 240V | <b>Power usage:</b><br>28W | <b>Driver power factor:</b><br>0.9 | <b>LED driver:</b><br>Model: NSD28W<br>Near® 28W smart Wi-Fi LED Driver |
|-------------------------------------|----------------------------|------------------------------------|---|

### Optical

|                                     |   |                            |   |
|-------------------------------------|---|----------------------------|---|
| <b>Delivered lumens:</b><br>3,100lm | <b>Colour temperature:</b><br>CCT 2700K - 6500K | <b>Beam angle:</b><br>110° | <b>Colour rendering index:</b><br>≥80Ra |
|-------------------------------------|---|----------------------------|---|

### Physical

|   |                                 |                             |                                 |
|---|---------------------------------|-----------------------------|---------------------------------|
| <b>IP rating:</b><br>IP20                 | <b>Housing Colour:</b><br>White | <b>Warranty:</b><br>2 Years | <b>Lifetime</b><br>25,000 hours |
| <b>Luminaire size:</b><br>ø 400mm x H46mm | <b>Weight:</b><br>1.40KG        |                             |                                 |

### Compatibility

**Near® Smart Lighting:**  
Wi-Fi 2.4Ghz 802.11 b/g/n  
App Dimmable  
Google Assistant  
Amazon Alexa
