

User Manual

Near Smart Scene Switch

Instructions for Battery Installation

1 Rotate the battery cover clockwise to unlock.

2 Slide battery underneath the 2 ribs located on the right.

3 Press the battery downwards to secure it in place.

Pairing with the Near App

1. Log in to the Near App, pair with the Near Zigbee Gateway if you have not done so and select “Add Subdevices” at the bottom of the Gateway’s UI.
2. To pair with the Near App, please be within close proximity to the Near Zigbee Gateway. Press on buttons 3 and 4 simultaneously for 5 seconds.
3. Once the LED indicator begins blinking rapidly, the smart scene switch has entered pairing mode.
4. Auto scanning mode will detect and pair the smart scene switch automatically.

Pairing with the Near App

5. Once the pairing process is completed, you can locate the smart scene switch icon in the home page.
6. If the pairing process fails, repeat from step 1.

FCC Safety Precaution

FCC Part 15,19

This device complies with part 15 of the FCC rules.

Operation is subject to the following two conditions:

- 1) This device may not cause harmful interference,
- 2) This device must accept any interference received, including interference that may cause undesirable operation.

FCC Part 15,21

Any changes or modifications (including the antennas) to this device that are not expressly approved by the manufacturer may void the users authority to operate the equipment.

FCC Radiation Exposure Statement

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This device and its antenna must not be co-located or operating in conjunction with any other antenna or transmitter. This equipment should be installed and operated with a minimum distance of 10cm between the radiator and your body.

Product Information

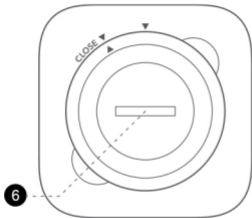

Product Name:	Near Smart Scene Switch
Model:	NZS_V2BK
Protocol:	Zigbee
Battery Type:	CR2032
Dimension:	54 x 54 x 13 mm
Manufacturer / Country:	Near / China
Designed in Korea	
Certification	CE / FCC / KC

Product Structure

- 1 Button 1
- 2 Button 2
- 3 Button 3
- 4 Button 4
