Special Laminated Surfaces Fenix 25 disponibile su richiesta.

AVAILABLE DIMENSIONS

QUALITY IN THE NATURAL RESPECT

- 100% Demountable product
- 100% Recyclable material
- 100% Made in Italy

TABLE TOPS

No specific maintenance other than normal cleaning is required for Compactop and Laminated tops. The tops can easily be cleaned and disinfected with hot water, steam and any common non-abrasive household detergents and disinfectants, as long as these are not highly alkaline. Just a couple of precautions are necessary: avoid using strong acids and bases and avoid wiping with highly abrasive substances or equipment.

METAL

Gaber metal structures, in the full respect of our Natural Environment, are available with "trivalent" chroming and painted finishes. Prime-quality special Epoxy powder coating used on Gaber frames enhance color stability from batch to batch and over time, increasing its corrosion-resistance and achieving excellent resistance to atmospheric agents.

CARTON BOXES

Corrugated paperboard carton boxes, printed with environmentally friendly inks, are made of 90% recycled and recyclable materials. Packaging is sized in order to optimize storage and transport requirements, both helping the environment and saving on transport costs.
