

Iron table top, painted metal frame. Table tops are made of composite materials: a non-deformable water-repellent multilayer wood-based core, covered with sheet metal treated for outdoor purpose. These tough materials make "Iron" table tops suitable for indoor as well as outdoor use.

AVAILABLE DIMENSION

QUALITY IN THE NATURAL RESPECT

100% Demountable product 100% Recyclable material

100% Made in Italy

METAL

Gaber metal structures, in the full respect of our Natural Environment, are available with "trivalent" chroming and painted finishes. Prime-quality special Epoxy powder coating used on Gaber frames enhance color stability from batch to batch and over time, increasing its corrosion-resistance and achieving excellent resistance to atmospheric agents.

CARTON BOXES

Corrugated paperboard carton boxes, printed with environmentally friendly inks, are made of 90% recycled and recyclable materials. Packaging is sized in order to optimize storage and transport requirements, both helping the environment and saving on transport costs.
