### FRAME FINISHES

The Pareo Collection offers a wide range of beautifully designed dining and coffee tables. Thanks to their clean yet detailed design, Pareo tables suit a variety of hospitality settings, available in square, rectangular and round versions. The aluminum table frame, combined with Compact or Porcelain table tops, fits perfectly into even outdoor environments. Pareo Tables are made to be easily assembled and are available in a wide variety of bright frame colours and top finishes, perfectly matching your custom projects.

PORCELAIN - ROUND SECTION LEG

## QUALITY IN THE NATURAL RESPECT

100% Demountable product  
100% Recyclable material  
100% Made in Italy

### TABLE TOPS

No specific maintenance other than normal cleaning is required for Compactop and Laminated tops. The tops can easily be cleaned and disinfected with hot water, steam and any common non-abrasive household detergents and disinfectants, as long as these are not highly alkaline. Just a couple of precautions are necessary: avoid using strong acids and bases and avoid wiping with highly abrasive substances or equipment.

### MARBLE AND PORCELAIN TABLE TOPS

The Porcelain stoneware tops stand out for their excellent technical performance, ideal for the most delicate uses where maximum hygiene and resistance must be guaranteed. Porcelain tops are compatible with foodstuffs, resistant to fungi and molds, suitable for both indoor and outdoor use, resistant to frost, heat and high temperatures, they can be cleaned very easily while maintaining the characteristics of the surface. The solid Marble surfaces, are treated to reduce their porosity, however constant care and cleaning of the product is recommended.

### METAL

Gaber metal structures, in the full respect of our Natural Environment, are available with "trivalent" chroming and painted finishes. Prime-quality special Epoxy powder coating used on Gaber frames enhance color stability from batch to batch and over time, increasing its corrosion-resistance and achieving excellent resistance to atmospheric agents.

### CARTON BOXES

Corrugated paperboard carton boxes, printed with environmentally friendly inks, are made of 90% recycled and recyclable materials. Packaging is sized in order to optimize storage and transport requirements, both helping the environment and saving on transport costs.
