Together is a solid and versatile table, suitable to be utilized with elegance in all modern environments. The legs, made of natural solid oak, or polycarbonate legs: transparent, solid white, solid black are combined with a natural oak veneered top, thus obtaining a pleasant visual play of solid interlocking between the leg and the top. With a simple and elegant design, Together adapts to any decorative context, expressing the warmth of wood and its small details. The legs are always at the extreme of tops sizes.

Together è un tavolo solido e versatile, adatto ad essere inserito con eleganza in tutti gli ambienti moderni. Le gambe, realizzate in rovere massello naturale o in policarbonato trasparente, bianche o nere, sono abbinate ad un piano impiallacciato rovere naturale, ottenendo così un piacevole gioco visivo di solido incastro tra la gamba e il piano. Dal design semplice ed elegante, Together si adatta a qualunque contesto decorativo esprimendo il calore del legno ed i suoi piccoli dettagli. Le gambe restano sempre all'estremo.
