O: 949.497.0277

This office furniture collection is intended for modern workplaces. It is distinguished by simple and rational worktop lines as well as slender and resistant support frames with a trestle shape. The service cabinets are suspended, a feature designed for easy and modern cleaning. The desks can be equipped with high-performance soundabsorbing screens, to improve privacy and the general acoustics of the workplace. The assembly systems have been especially designed to be fast and safe.

Programma d'arredo destinato ad uffici moderni con piani di lavoro dalle linee semplici e razionali, strutture di sostegno con forma a cavalletto per essere snelle e resistenti. I mobili di servizio sono sospesi, caratteristica pensata per una semplice e moderna pulizia automatica. Le scrivanie possono essere dotate di schermi divisori per migliorare la privacy e l'acustica. I sistemi di assemblaggio sono veloci e sicuri.

QUALITY IN THE NATURAL RESPECT

100% Demountable product | Prodotto 100% disassemblabile

100% Recyclable material | 100% Materiali riciclabili

100% Made in Italy

TABLE TOPS

No specific maintenance other than normal cleaning is required for Compactop and Laminated tops. The tops can easily be cleaned and disinfected with hot water, steam and any common non-abrasive household detergents and disinfectants, as long as these are not highly alkaline. Just a couple of precautions are necessary: avoid using strong acids and bases and avoid wiping with highly abrasive substances or equipment.

Compactop e Laminati non richiedono alcuna manutenzione particolare al di là della normale pulizia. I piani possono essere facilmente puliti e disinfettati con acqua calda, vapore e tutti i più comuni detergenti e disinfettanti per uso domestico, purché non alcalini. Sono necessarie solo poche precauzioni, quali l'evitare l'uso di acidi o basi forti, evitare di strofinare con sostanze o strumenti fortemente abrasivi.

METAL

Gaber metal structures, in the full respect of our Natural Environment, are available with "trivalent" chroming and painted finishes. Prime-quality special Epoxy powder coating used on Gaber frames enhance color stability from batch to batch and over time, increasing its corrosion-resistance and achieving excellent resistance to atmospheric agents.

Le strutture metalliche realizzate da Gaber, nel pieno rispetto del nostro ambiente naturale, sono disponibili con finitura cromata "trivalente" o verniciata. La speciale verniciatura a polveri epossidiche utilizzata da Gaber, di prima qualità, migliora la stabilità del colore tra lotti e nel tempo, aumentando la resistenza alla corrosione e raggiungendo una resistenza ottimale agli agenti atmosferici.

CARTON BOXES

Corrugated paperboard carton boxes, printed with environmentally friendly inks, are made of 90% recycled and recyclable materials. Packaging is sized in order to optimize storage and transport requirements, both helping the environment and saving on transport costs.

L'imballaggio in cartone ondulato, stampato con inchiostri ecologici, è costituito per il 90% da materiali riciclati e riciclabili. Viene dimensionato per ottimizzare i requisiti di stoccaggio e di trasporto, favorendo l'ambiente nonché un risparmio sui costi di trasporto.
