### AVAILABLE DIMENSIONS

## QUALITY IN THE NATURAL RESPECT

100% Demountable product  
100% Recyclable material  
100% Made in Italy

### TABLE TOPS

No specific maintenance other than normal cleaning is required for Compactop and Laminated tops. The tops can easily be cleaned and disinfected with hot water, steam and any common non-abrasive household detergents and disinfectants, as long as these are not highly alkaline. Just a couple of precautions are necessary: avoid using strong acids and bases and avoid wiping with highly abrasive substances or equipment.

### WOOD

Our wooden articles are produced in accordance with the European Regulations in force regarding formaldehyde emissions from wood-based products.

### CARTON BOXES

Corrugated paperboard carton boxes, printed with environmentally friendly inks, are made of 90% recycled and recyclable materials. Packaging is sized in order to optimize storage and transport requirements, both helping the environment and saving on transport costs.
