

CUBITRON™ II

Cloth Disc 900DZ

900DZ

Premium Series

**Sand less.
Make more.**

**Fast
Cut**

Increased throughput
with faster sanding and
more parts per disc

**Lasts
Longer***

Lower costs with long
disc life and fewer
disc changes

**Consistent
Finish**

Minimal rework due to
consistent finish quality

*Compared to conventional abrasives.

3M™ Cubitron™ II Cloth Disc 900DZ

900DZ

Premium Series

Durable, fast-cutting, long lasting for improved disc productivity.

Fast and effective cutting action on a variety of materials, 3M™ Cubitron™ II Cloth Disc 900DZ is built for tough sanding jobs. This abrasive is designed to reduce time-costly operation. It features 3M Precision-Shaped Grain that cuts fast and lasts longer than conventional abrasives. The open coat construction prevents the mineral from loading, resulting in a longer life abrasive disc that continues to cut, even when working on surfaces that would normally hinder sanding ability. It can be used on wood, metal and composite applications requiring heavy stock removal. Finer grades are suitable for blending and finishing aluminum, hardwoods, softwoods and composites.

- Cloth backing provides improved durability for edge work*
- J-weight cloth backing combines wear-resistance with flexibility
- Versatile disc performs well on aluminum, fiberglass, gelcoat, hard and soft woods
- 3M™ Hookit™ and Stikit™ attachment system provides easy disc changes and optimizes disc life

3M™ Cubitron™ II Abrasives are designed with revolutionary 3M Precision-Shaped Grain technology. As the grain wears, it continuously fractures to form sharp points and edges that slice through material, wear evenly and provide super-long life and consistency.

Product Selection and Use: Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. As a result, customer is solely responsible for evaluating the product and determining whether it is appropriate and suitable for customer's application, including conducting a workplace hazard assessment and reviewing all applicable regulations and standards (e.g., OSHA, ANSI, etc.). Failure to properly evaluate, select, and use a 3M product and appropriate safety products, or to meet all applicable safety regulations, may result in injury, sickness, death, and/or harm to property. **Warranty, Limited Remedy, and Disclaimer:** Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If a 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price. **Limitation of Liability:** Except for the limited remedy stated above, and except to the extent prohibited by law, 3M will not be liable for any loss or damage arising from or related to the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.
