## Introducing Scotch® Vinyl Electrical Tape 35 Pink

A great  
solution  
for complex  
color-coding  
schemes

Here's our latest addition to the Scotch 35 Vinyl Color Coding Tape family. **New Scotch 35 Pink Tape** is ideal for wireless transmission applications where there's a need to identify certain RF frequencies – or when you just need a unique marking for a complex wiring scheme.

**When it needs to stand out from the crowd, think PINK.**
