EAN: 4013288001528 **Size:** 290x105x35 mm

Part number:05000520001Weight:456 gArticle number:102Country of origin:CZ

Customs tariff 82052000

number:

- Powerful hammering with surface protection
- Soft-face hammers with hammer head out of urethane; semi-hard
- For hammering sharp-edged workpieces; car body, engineering and automotive applications.
- Inseparable and secure connection between the hammer handle and head
- · High-quality ashwood handle

Wera soft-face hammers. Double-sided conical design for a secure, inseparable connection between the hammer handle and head. The hammer head is made out of semi-hard urethane; the handle out of high quality ash wood. Diverse applications thanks to the interchangeable soft-face hammer heads. Suitable for car body, engineering and automotive applications.
