

Targus®

ENTERPRISE SOLUTIONS

TECHNOLOGY IS DRIVING WORKPLACE CHANGE

As your workforce continues to become more mobile, we understand the need to increase employee productivity, protect your equipment, and ensure privacy of your company data. They need to be able to work anywhere – in the office, at home, or on the road. They need to be able to use their equipment reliably so they can be productive wherever they are. They need to be able to protect their equipment from damage. And as they are often working in public – the airport, a coffee shop, a shared office space – they need to keep sensitive data from being physically taken or visually hacked.

We can help. At Targus, we simplify your life without complicated products. Our solutions seamlessly integrate into the lifestyle of your employees, working wherever they are. No other company offers mobile workers and enterprise employees the confidence and the reliability to work anytime, anywhere.

**INCREASE CONNECTIONS.
MAXIMIZE PRODUCTIVITY.**

Today's enterprises consist of a wide range of computer hardware platforms, software applications, and operating systems. Add in hoteling, hot desking, or any form of remote working, and you have a challenge to accommodate a diverse workforce and make sure work happens. If your goal is to maximize efficiency and throughput, Targus productivity solutions – from docks to keyboards and mice – can meet your most demanding requirements.

DOCKING STATIONS

Increase employee productivity through the use of docking stations. Join the Fortune 1000 and see why Targus Docking Stations are the essential tool for driving workplace change.

Universal Compatibility

Our universal docking stations are fully tested and proven to work with varying platforms and operating systems, including Windows, MacOS®, Chrome™ OS, Android™, and Linux®. This broad flexibility means you don't need to replace your docking solutions during every laptop or OS refresh – making Targus the preferred future-ready solution.

A Solution for Every Application

From USB-A to USB-C, Alt. Mode to Universal, Targus offers an array of docking stations to help you maximize productivity and withstand even the most demanding workdays.

Global Support

With Targus, your road to full productivity is easy – and one you don't need to traverse alone. Our global team of field applications engineers are there to provide complete pre-and post-deployment guidance to ensure your success and provide peace of mind.

Industry-Leading Warranty

We stand behind our product quality. Targus offers an industry-leading three-year warranty so you've got full confidence that our docking stations will perform and deliver for years to come.

Exclusive Enterprise Software

Targus' exclusive software helps enhance security and improve user experience on Windows-based platforms. Our software is the product of extensive in-market research and testing. We analyze and fix common end-user problems and address the often-complex issues faced by IT, infrastructure, and project delivery teams.

	WiFi AutoSwitch	AV Configuration	M.A.C. Address Cloning
What it does:	Automatically disables/enables WiFi adapter when docked/undocked.	Automatically stores user icon and application window configurations used on external monitors. The settings are automatically restored the next connection to a Targus docking station.	Automatically clones the host M.A.C. address onto a Targus docking station. Automatically disables WiFi adapter.
Why it matters:	Improves the user's network connection speed. Reduces unnecessary WiFi traffic.	Improves user satisfaction. Increases productivity.	Enables tighter security access controls for IT departments. Devices are connected at the fastest speed.

USB-C™ Universal DV4K Docking Station with 100W Power
DOCK190USZ | MSRP: \$299.99

- **Works With:** Windows®, Mac®, Android®, Chrome®, Ubuntu™
- **Connection Technology:** USB 3.2 G1 (USB-C)
- **Power Delivery:** Up to 100W or charges legacy computers (power tips included)
- **Max Monitors:** 2
- **Max Resolution:** 4K/5K (single); 4K UHD (dual)
- **Good For:** Large enterprises with high performance requirements

USB-C™ Universal DV4K Docking Station with 60W Power
DOCK180USZ | MSRP: \$249.99

- **Works With:** Windows®, Mac®, Android®, Chrome®, Ubuntu™
- **Connection Technology:** USB 3.2 G1 (USB-C)
- **Power Delivery:** Up to 60W
- **Max Monitors:** 2
- **Max Resolution:** 4K/5K (single); 4K UHD (dual)
- **Good For:** Enterprises that have fully converted to USB-C

USB-C™ Universal Quad 4K (QV4K) Docking Station with 100W Power
DOCK570USZ | MSRP: \$399.99

- **Works With:** Windows®, Mac®, Android®, Ubuntu™
- **Connection Technology:** USB 3.2 G1 (USB-C)
- **Power Delivery:** Up to 100W + charges legacy computers (power tips included)
- **Max Monitors:** 4
- **Max Resolution:** 4K/5K (single); 4K UHD (dual/triple/quad)
- **Good For:** Financial firms, IT, call centers needing power delivery

USB-C™ Universal Quad HD Docking Station
DOCK520USZ | MSRP: \$274.99

- **Works With:** Windows®, Mac®, Android®, Chrome®, Ubuntu™
- **Connection Technology:** USB 3.2 G1 (USB-C)
- **Max Monitors:** 4
- **Max Resolution:** 2K (single/dual); HD (triple/quad)
- **Good For:** Home office or small business that need up to four displays and no power delivery

Universal USB 3.0 DV4K Docking Station with Power
DOCK177USZ | MSRP: \$269.99

- **Works With:** Windows®, Mac®, Android®, Chrome®, Ubuntu™
- **Connection Technology:** USB 3.0
- **Power Delivery:** Up to 90W or charges legacy computers
- **Max Monitors:** 2
- **Max Resolution:** 4K/5K (single); 4K UHD (dual)
- **Good For:** Enterprises with legacy host that require non-Type-C power

Universal USB 3.0 DV4K Docking Station
DOCK161USZ | MSRP: \$199.99

- **Works With:** Windows®, Mac®, Android®, Chrome®, Ubuntu™
- **Connection Technology:** USB 3.0
- **Max Monitors:** 2
- **Max Resolution:** 4K/5K (single); 4K UHD (dual)
- **Good For:** Large enterprises

2K Universal Docking Station with DVHD
DOCK120USZ | MSRP: \$129.99

- **Works With:** Windows®, Mac®, Android®, Chrome®, Ubuntu™
- **Connection Technology:** USB 3.0
- **Max Monitors:** 2
- **Max Resolution:** 2K (single); HD (dual)
- **Good For:** Business looking for an entry-level dock

VersaLink™ Universal Dual Video Travel Dock
DOCK110USZ | MSRP: \$79.99

- **Works With:** Windows®, Mac®, Android®, Chrome®, Ubuntu™
- **Connection Technology:** USB 3.0
- **Max Monitors:** 2
- **Max Resolution:** 2K(single); HD (dual)
- **Good For:** Travel

Thunderbolt™ 3 DV4K Docking Station
DOCK220USZ | MSRP: \$349.99

- **Works With:** Windows®, Mac®, Linux
- **Connection Technology:** Thunderbolt™ 3
- **Power Delivery:** Up to 85W
- **Max Monitors:** 2
- **Max Resolution:** 4K/5K (single); 4K UHD (dual)
- **Good For:** Graphic departments, video-editing agencies, photography studios, animators

USB-C™ DisplayPort™ Alt. Mode Triple Video Docking Station with 85W Power
DOCK430USZ | MSRP: \$249.99

- **Works With:** Windows®, Mac®, Android®, Chrome®, Linux, DeX, ThinPro
- **Connection Technology:** Type-C Multi-Function DisplayPort™ Alt. Mode
- **Power Delivery:** Up to 85W
- **Max Monitors:** 3
- **Max Resolution:** 4K UHD (single); 2K (dual); HD (triple)
- **Good For:** Companies requiring native DP 1.4 video

USB-C™ DisplayPort™ Alt-Mode Travel Dock
DOCK411USZ | MSRP: \$79.99

- **Works With:** Windows®, Mac®, Android®, Chrome®, Linux, DeX, ThinPro
- **Connection Technology:** Type-C Multi-Function DisplayPort™ Alt. Mode
- **Max Monitors:** 1
- **Max Resolution:** 4K UHD (single)
- **Good For:** Travel

USB-C™ DisplayPort™ Alt-Mode Travel Dock with Power Pass-Through
DOCK412USZ | MSRP: \$99.99

- **Works With:** Windows®, Mac®, Android®, Chrome®, Linux, DeX, ThinPro
- **Connection Technology:** Type-C Multi-Function DisplayPort™ Alt. Mode
- **Max Monitors:** 1
- **Max Resolution:** 4K UHD (single)
- **Good For:** Travel and for laptops with limited USB-C ports

HAS YOUR ORGANIZATION COMPARED DOCK COST TO TOTAL COST OF OWNERSHIP?

When looking at flex space options and docking solutions, compare total cost including support time and cost of maintenance or device management. By understanding long-term support requirements or refresh needs you make the best decision when comparing solutions. See how a Targus customer overcame this challenge in our Customer Success Story on page 12.

A CUSTOMER SUCCESS STORY

A leading provider of insurance and financial services with over 28,000 employees was in search of a universal docking solution to maximize its investment and eliminate the financial impact of purchasing a new dock each time it refreshes its laptop fleet or changes OEM providers. While the initial investment in Targus docking stations was a concern, the longevity of a universal solution that'll survive multiple laptop refreshes and work with a mix of devices ultimately won over the company. Our client also saw immense value in the ability to deliver power to legacy USB-A laptops - a Targus exclusive.

Through the rollout, the Targus team held bi-weekly meetings with the client to ensure implementation and employee adoption remained on track. Moreover, Targus Application Engineers performed pre- and post-deployment testing to ensure the docks operated as advertised.

As the client continues to grow its mixed fleet, they now forego the incremental cost of purchasing new non-universal docking stations for specific devices. The company will realize an estimated **\$3 million savings** over the next three-year period as their team continues to refresh client devices.

USB-C Combo Hub with Host Power Pass-Through
ACH924USZ | MSRP: \$69.99

- Connects up to 3 USB-A devices
- USB-C™ power pass-through port
- USB 3.1 Gen 1 host connection
- Works with any dock downstream facing ports

USB-A Ethernet Adapter with 3X USB-A
ACH122USZ | MSRP: \$69.99

- Compatible with PC, Mac®, and Ultrabook™
- 3 USB 3.0 ports
- 1 Gigabit Ethernet port
- Tethered USB cable

4-Port USB 3.0 SuperSpeed Hub
ACH119US | MSRP: \$69.99

- Compatible with PC, Mac®, and Ultrabook™
- 4 USB 3.0 ports
- Ideal for docking stations
- AC adapter

4-Port USB 3.0 Hub
ACH124US | MSRP: \$34.99

- Turn 1 port into 4 with the 4 USB 3.0 ports
- USB 3.0 provides transfer speeds up to 10 times faster than USB 2.0
- Overcurrent protection prevents short circuits and electrical current overload

4-Port USB 2.0 Hub
ACH114US | \$18.99

- Turns one USB port into four with one open port
- A compact, lightweight design makes it easy to transport anywhere
- Self-powered via attached USB cable, no external power needed

USB 2.0 7-Port Powered Hub
ACH215TT | MSRP: \$48.99

- Turn 1 port into 7 with the USB 2.0 ports
- Includes 5V3A AC adapter
- Connect any mouse, keyboard, flash drive, external hard drive

WHAT'S THE DIFFERENCE BETWEEN A DOCK AND HUB?

While both help you add more connections (or ports) to your host – a Targus docking station will always have video and an Ethernet port.

USB-C™ Multiplexer Adapter
ACA47GLZ | MSRP: \$59.99

- Supports USB-C laptops
- Works with Targus docks DOCK171USZ, DOCK177USZ, ACP77USZ and ACP71USZ
- Provides up to 85W of power with PD 2.0 and charges USB-C devices that accept charging via the USB-C port
- Includes USB-A, 2-pin DC Power, and 3-pin DC power ports; outputs USB-C

USB-C™ to G-LAN Gigabit Ethernet Network Adapter
ACA937BT | MSRP: \$35.99

- Connect to wired office networks
- 1 GB transfer rates
- Easy plug and play into reliable, fast Gigabit Ethernet

USB-C™ Alt. Mode to HDMI Adapter
ACA933GLZ | MSRP: \$39.99

- Expands your workstation with an ultra-high-definition display
- Supports resolutions up to 3840 x 2160/60GHz
- Ideal for home or office
- Works with DisplayPort™ Alt-Mode, Thunderbolt™ 3 compatible

USB-C™ to Card Reader Adapter
ACA931BT | MSRP: \$24.99

- Reads and records data on SD, microSD, SDHC, SDXC, and MMC cards
- Dual-disk support
- Bus-powered
- Transfers data at speeds up to 5 Gbps

3-Pin 3-Way Hydra DC Power Cable
ACC1009USX | MSRP: \$49.99

- Powers up to 1 large and 1 small device simultaneously
- Supports three connectors for multi-user and multi-device environments
- Self-locking collars ensure tips and power cable stay in place
- Tips not included

KEEP YOUR BUSINESS YOUR BUSINESS

More than two-thirds of global employees work remotely every week, and over 50% do so for at least half of the week.*

As employees become more mobile, the need to secure devices and the data on them is becoming more vital. Thus, solving **physical IT security** challenges is now just as critical as managing the complex digital ones that dominate most tech agendas. That's why Targus has created the industry's broadest and most affordable range of high-quality **privacy screen**, **universal laptop locking**, and **webcam security** solutions. The aim? To help you keep your business, your business – by effortlessly protecting what matters at every touchpoint, on any device, anywhere.

- Spy Guard Webcam Cover**
 AWH015GLX (Pack of 10)
 MSRP: \$19.99
 AWH011US (Pack of 1)
 MSRP: \$4.99
- Easy to apply
 - Slim size
 - Seamlessly slides open and closed
 - Adhesive provides secure fit

4VU™ PRIVACY SCREENS KEEP SENSITIVE DATA OUT OF VIEW

Without compromising screen clarity or user productivity, Targus privacy screens work by narrowing the viewing angle of a screen, so data is only visible directly in front of the monitor up to 30° away from the center of the screen. Onlookers will only see a dark unclear screen when attempting to view the information from a side angle.

Find The Right Size For Your Device or Custom Order
 We readily make tablets, laptops, and monitors from 9.7" to 30". Find yours online at us.targus.com/pages/accessory-finder.

Not seeing a privacy screen for your device? We can help. Custom options available for orders of 100 or more.

CUSTOM PRIVACY OPTIONS:

Two-Way: Restricts viewing angles on left and right.

Four-Way: Restricts viewing angles on left, right, top, and bottom; ideal for tablets and 2 in 1 devices.

Magnetic: Sleek, easy magnetic strips for easy on/off attachment; ideal for non-touch screen devices.

Narrow Arc: Tighten your viewing angle to 25° on each side for more privacy; ideal for in flight or public transport.

Extra Touch-Sensitive: Up to 18% more touch sensitive than a standard screen; ideal for tablets and 2 in 1 devices.

Anti-glare only: Ideal for bright conditions and window seats.

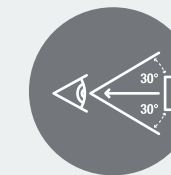

Low-Reflective Coating
 Reduces glare; improves light transmittance

SKANE M-8® Anti-Microbial
 Prevents degradation; ideal for touchscreen devices

Easy Installation
 Adaptable, hassle-free installation with patented under-bezel tabs. Magnetic options available

60° Angle Viewing Window
 Data only visible directly in front of the screen and up to 30° on each side

Filters Blue Light
 Lowers blue light transmittance to reduce eye strain

CARRYING CASES

About 18% of a company's notebooks require repair of some kind during a year, due to accidental damage.*

The average cost to repair the notebook is \$3,411.

While you've invested in the right devices for your business so that your employees can be productive wherever, you still need to ensure it's protected.

Targus built its reputation providing the world's best protective gear. For over 35 years, we've been perfecting our array of protective solutions – laptop bags and tablet cases – developing quality products that help protect devices from the inevitable bumps, drops, and rough handling that occurs in the everyday commute or business trip. We stand behind our products (and back all bags and most cases with a Limited Lifetime Warranty) so you can feel comfortable your devices are protected.

Exclusive SafePort® x D3O® Impact Protection

Combines vented air cushioning and high-density foam padding to provide superior side and vertical impact protection, protecting your supplies from event the toughest drops.

Patented SafePort® Air Bar

A specially engineered cushion lines the bottom of the laptop compartment, providing vertical impact protection against drop damage.

SafePort® Sling Protection

Minor drops and bumps are no problem with the SafePort® Sling. It safely suspends your laptop in case it's dropped, and its ultra-thin design keeps bags compact.

Patented DOME Shock Dispersion

DOME protection works harder than ordinary padding by dispersing the impact away from your laptop screen.

Logoable

Add your corporate logo to your Targus product through our Custom Logo Program.

Patented Checkpoint-Friendly Design

Designed to meet airport standards, the checkpoint-friendly feature allows the laptop to remain inside the case for a clear X-ray scan.

TABLET PROTECTION YOU CAN COUNT ON

Whether your organization is supplying tablets for use in the field or as a secondary device to an employee's ecosystem, it's important to protect that investment from dust, drops, and scratches.

An innovator in tablet cases, Targus offers an extensive line-up of cases that meet your device needs and that are built to enhance your tablet's functionality by combining protection with patented features and advanced technology. Not to mention style.

COUNT ON TARGUS FOR...

Quality

We stand behind our product. That's why we offer a Limited Lifetime Warranty on most tablet cases.

Protection

We know device protection. That's why nearly all our cases are designed to meet the Mil-Spec standards and withstand essential drop-testing standards. And knowing some situations require even more protection, we have a line of Rugged and Field-Ready solutions for those demanding environments.

Innovation

Our patented 360-degree rotation feature offers nearly infinite viewing angles – and ultimate productivity. Plus, our multi-generation trays, available on most SKUs, allow the case to work on multiple versions of a device – so you can upgrade your tech without updating your case.

- Pad Printing**
 Minimum order quantity: 250 initial order | 50 for reorders
 • Lead time once P.O. is placed: 3 weeks
 • Logotype: Up to 4 colors
- Laser Etching: Privacy Screens**
 Minimum order quantity: 200
 • Lead time once P.O. is placed: 6 weeks for initial order | 4 weeks for reorders
 • Logotype: No color; logo is etched into privacy screen using laser

Order Process

1. Contact your Targus representative for inquiries and to begin your order.
2. Provide your Targus representative with your desired logo in a vector file.
3. A digital simulation of the product with logo placement will be provided for your approval.
4. Upon approval of the digital simulation, a custom part number will be created by Targus and supplied to the desired reseller for quoting and order processing.
