

CLASSIC T-SHIRT GIFT PROMOTION DECEMBER 2024

The Classic T-shirt gift promotion is valid for purchases over €100 made online or in physical stores in Spain (excluding multi-brand stores such as El Corte Inglés) between 12.12.2024 and 21.12.2024.

Gift options are subject to color and size availability.

In physical stores, the Blue Banana team will inform customers about the promotion, which also includes other gifts for lower purchase amounts.

Online, the option to add the gift to the cart will automatically appear once the €100 threshold is exceeded. If it does not appear, the promotion has either ended due to stock depletion (in which case no replacement item will be offered) or because the end date has been reached. Additionally, if the customer fails to correctly include the gift in their order, Blue Banana will not be responsible and will not send it separately, even in the case of external technical issues.

The promotion is not compatible with discount codes or free shipping offers. In case of returns, the gift T-shirt must be included in the package; otherwise, its value will be deducted from the refund.

The general terms and conditions of purchase and returns apply during the promotion.
