KEYRING GIFT PROMOTION 2024

The keyring giveaways are subject to limited availability. They will be given as a single item with every order totalling over €60 in physical stores and El Corte Inglés corners and with every order totalling over €70 in web between 05/04/24 (at 00.00 CET online and from opening time in-store and in El Corte Inglés corner stores) and 07/05/24 (at 23.59 CET online and until closing time in-store and in El Corte Inglés corner stores).

The promotion will be automatically applied online when the shopping basket exceeds €70; the customer will be invited to add their gift to their basket.

If the option to add the gift to the shopping basket does not appear on the website, the promotion will have ended due to lack of availability or the deadline being passed.

If the gift item does not appear in the purchase confirmation email, the customer will not receive it (the promotion will have ended or the customer will not have added it correctly, in which case Blue Banana will not be held responsible).

The promotion cannot be combined with other discount or free shipping codes.

Multi-brand stores (except El Corte Inglés) and outlet store do not participate in this promotion.

There will be no choice of design available and the gift cannot be exchanged or redeemed for cash.

If a customer requests a total or partial refund of their purchase, they must include the gift item (hoodies, bracelets and/or socks) in the package to be returned. If the customer fails to return the gift, their value will be deducted from the refund. This clause also applies to physical stores and El Corte Inglés stores.

The general conditions for purchases, exchanges and returns will apply to any order placed during the promotion.
