

INSTALLING YOUR HAIRPIN LEGS

Tools/Parts Needed				
				
Hairpin leg	Table top	#14 x 1" Phillip screws(Provided)	Blanket or other soft surface (Not Provided)	Drill (Not Provided)

1. Turn your table top upside-down on a blanket or other soft surface.

2. Match the pre drilled holes with the mounting plate

3. Use the supplied screws and attach each leg to the table.

4. Flip the table over and enjoy!

We have also supplied rubber feet to help level and protect your flooring.
