

XOSB380

Xativa Scrim Banner

A premium bright white opaque block out PVC banner with an ultra durable water and tear resistant coating.

Ideal for indoor and outdoor signage and advertising.

From long lasting indoor displays to demanding outdoor display conditions, this premium durable banner material can handle it all thanks to its embedded tear-resistant and flame retardant (B1) polyester fabric layer.

Stunning image quality is preserved thanks to its ultra durable water resistant coating and smooth bright white surface.

All specifications are correct at time of print and are subject to change without notice. E&OE

Product specifications

Weight	480 g/m ²	
Thickness	381 microns	
Opacity	100%
