

COCKTAILS, WINE, BEER

Grind Espresso Martini.

9.—

A double shot of Grind House Blend espresso, Finlandia vodka and a little sugar syrup.

The story of our signature cocktail goes back to the 80s, when a model walked into a bar and asked for something that would “wake me up, and then f*** me up.” As it turns out, ours tends to that quite nicely. The secret to a killer Espresso Martini is to start with great espresso, and luckily we already have that from the Grind Roastery. We add vodka, ice, sugar syrup and absolutely nothing else.
