## Grind Espresso Martini.

9.—

*A double shot of Grind House Blend espresso, Finlandia vodka and a little sugar syrup.*

The story of the Espresso Martini goes back to the 1980s, when a model asked for something that would “wake me up, and then f\*\*\* me up.” As it turns out, great espresso also makes an incredible Espresso Martini. Luckily, we already have that from our Shoreditch Roastery, so we just add vodka and a little sugar syrup. When you start with killer Espresso, there’s no need to mess around with it.
