VAT declaration for zero rating of riser recliner chairs supply or installation only

Guidance:

You should complete this declaration if you are 'chronically sick or disabled' and the goods or services are for your own personal use. A family member or carer can complete this on your behalf if you wish. You can find out more from the Helpsheets on the GOV.UK website or by telephoning the VAT Disabled Relief Helpline on: 0300 123 1073.

A person is 'chronically sick or disabled' if he or she is a person:

a) with a physical or mental impairment which has a long term and substantial adverse effect upon his or her ability to carry out everyday activities. b) with a condition which the medical profession treats as a chronic sickness

It does not include an elderly person who is not disabled or chronically sick or any person who is only temporarily disabled or incapacitated, such as with a broken limb. HMRC staff cannot advise whether or not an individual is chronically sick or disabled.

If you are unsure, you should seek guidance from your GP or other medical professional.
