

LiftMate KI 500 – 1500kg Capacity Manual Stackers

The LiftMate KI range of stackers offers an economical alternative to our premium ranges. Manufactured from robust steel profiles, the stackers have a capacity of 500kg, 1000kg or 1500kg and lift to 1.2, 1.6, 2.5 or 3.0m. Fully pivoting steering wheels (360 degrees) enable great maneuverability and minimum space requirements. The stackers have an ergonomic handle and a pedal for optional lifting by foot. A straddle version is available for handling pallets with closed bottom or perimeter base.
