

Side of Pole Mounts – Single Module Adjustable

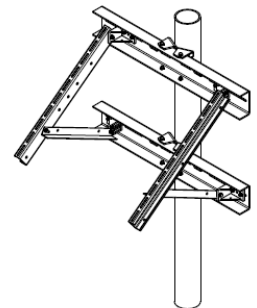

SunWize has released our latest-generation of Side of Pole Mounts for industrial applications. SunWize solar mounts are weather resistant and provide strength and durability in extreme environments. This latest generation includes the Easy Mount Bracket. This bracket is the latest evolution in our Side of Pole mount technology.

Quality and Reliability

- Universal slotted design fits 40W to 160W PV Modules
- Heavy duty aluminum provides strength and durability
- Stainless steel fastener hardware ensures long life

Features

- Pole saddle brackets
- Adjustable tilt angle between 25° to 90° from horizontal
- Adjustable band clamps
- Easy-mount bracket for quick installation

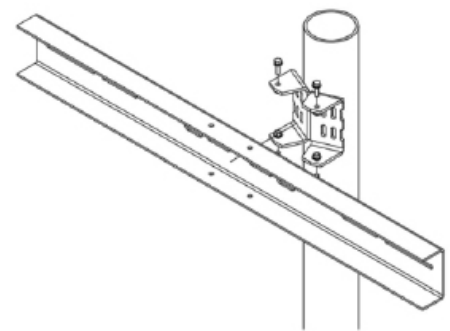

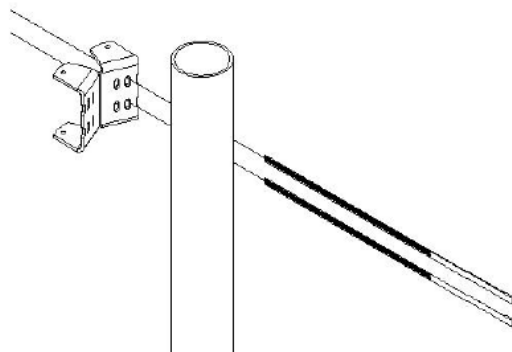

SWPB Part #	Rail Length (inches)	Pipe Size (sch40)	Weight (lbs)
240044	27.5	2-6	23
240047	27.5	8-10	23

Easy Mount Solar Bracket

Our Side of Pole mounts include the Easy Mount Solar Bracket, designed to reduce installation time. This latest generation bracket replaced four pole adapter kits in our previous lineup, reducing installation time, and increasing ease of adjustment.

Features

- Easier to adjust
- Less required inventory
- Shorter installation time
- Reduced number of parts
