1

Attach the "H" wheels to both the "A" and "B" frames

2

Assemble the accessory tray by attaching parts "C" and "D" together with two "J" screws.

3

Attach frame "A" to support bar "E" with two "I" screws using Allen key "O". Cap with two "M" screw caps. Repeat with frame "B".

4

Attach the assembled accessory tray to the frame using four "I" screws. Tighten the screws and cap them with four "M" screw caps- - make sure the ridges on the tray are facing upwards.

5

Attach the white board locking clip "L" to the accessory tray with two "K" screws.

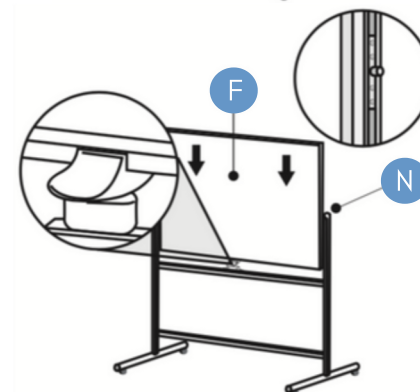

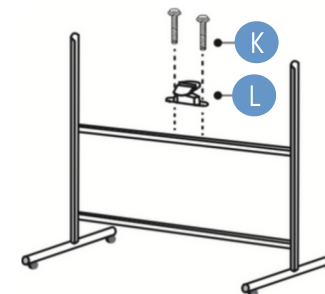

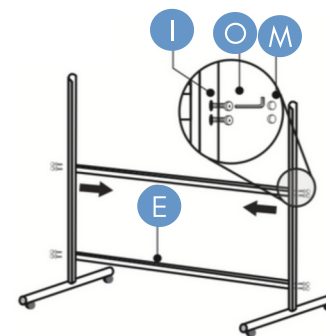

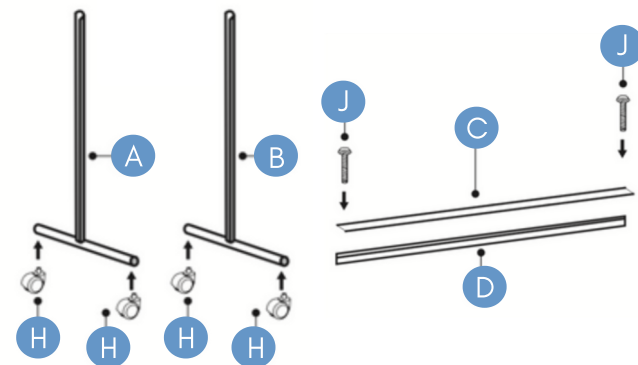

6

Attach the white board (part F) to the frame from the top down and cap the top of frames "A" + "B" with the "N" caps.

7

Lock the white board in place by pressing down the lock clip "L", remove the protective film and get creating!
