

## City Roots Organic Farm

**City Roots**, South Carolina's first urban farm, grows good food organically in the heart of Columbia, while promoting sustainable living through food, education, and events. City Roots is a family-owned, organic farm located on an urban site in Columbia, SC. Our top priority is to grow the highest quality products while educating our community on the benefits of local food and stewarding the land we farm for the ripest ingredients from our farm to your table.

### MICROGREENS:

- Case pack contains 6 pint clamshell containers per case per SKU.
- 1.75 oz. of Microgreens per pint clamshell.
- All varieties are available year-round.
- Shelf Life is 10-14 Days
- USDA Organic; Certified SC Grown

	<p><b>Rainbow Mix</b> Our most colorful mix of sweet and spicy varieties. Vibrant greens, reds, pinks, purples and yellow throughout.</p>		<p><b>Arugula Microgreens</b> Peppery in taste and delicate in texture. Bright green color.</p>
	<p><b>Broccoli Microgreens</b> Sweet and mildly flavored, a wonderful addition to smoothies.</p>		<p><b>Kale Microgreens</b> Mild and Salty in taste, a real crowd pleaser.</p>
	<p><b>Sunflower Microgreens</b> Thick skinned, nutty, sweet and mild in taste, one of our most popular.</p>		<p><b>Snow Pea Microgreens</b> Crisp and sweet in flavor, like a classic British garden Pea.</p>
	<p><b>Radish Microgreens</b> Pleasantly peppery with a roto radish flavor, varied purple stems.</p>		<p><b>Mustard Microgreens</b> Signature horseradish like spice in flavor, vibrant green color.</p>
