

# EMERALD EDGE *home*

Hello!

Thank you for  
your interest  
in our Trade  
Program.

We recognize that what makes a house feel like a home is often the small things. While furniture may anchor a room, it is the art, pillows, lighting, and decorative pieces that finish it. Here at Emerald Edge Home we've curated an original selection from top brands and artists across Europe and the US. We recognize that each project you take on as a design professional is unique and the products you bring in should reflect that.

## Benefits of joining our Trade Program include:

- An exclusive discount on all items in our shop with no minimum order.
- Your own unique discount code that is registered to your Trade Account. The discount starts at 10% and increases the more you spend with us.
- Access to the full line of brands we carry such as Creative Co-Op, Bloomingville, and more.
- Priority assistance for any purchase, invoice, or shipping need.

## Eligibility requirements:

You must be an accredited professional designer, including but not limited to an interior designer, architect, home stager, or interior stylist. Upon application you must submit:

- 1) A Business Card indicating the applicant's design profession or a design firm website listing the applicant's name; and
- 2) Either:
  - a) a copy of the applicant's Business License or Resale Certificate showing proof of a design-based business (with an additional signed resale certificate for each state where tax exemption is sought); or
  - b) a valid membership card from a design professional organization (ASID, IIDA, AIA, NKBA, IDC, etc.)

We reserve the right to make all membership determinations at our sole discretion.

## FAQ:

- How do I apply?

*Please fill out the application found on the contact page.*

- What is the discount and how does the tiering system work?

*Upon acceptance to the program, you will be assigned a unique discount code. When you enter your discount code at checkout, it will track your spend. Each level status is determined by how much is spent each calendar year (after promotional offers, discounts, and shipping charges are applied). Please note there is 30-day delay in the spend calculation that places you in your tier status.*

Spend (USD)	Discount (%)
Under \$5,000	10%
Between \$5k-\$10k	15%
Oer \$10k	20%

- How do I place an order?

*You can order directly from our website and then apply your trade discount at the time of checkout. Please note that while you can apply your discount to regular sale items, you cannot combine your discount code with any other limited time promotional codes. If you are interested in a product from a brand we carry but do not currently stock in our shop (such as furniture) please reach out and we can help you gather pricing and other specifications. Some of the brands we carry include Creative Co-Op, Bloomingville, etc. and are adding more on a regular basis.*
