USE	MIXING RATIO	PROCESSING TIME
Tone & Colour Balance	1:2	UP TO 20 MINS
Create Extra Depth	1:1.5	UP TO 20 MINS

### IMPORTANT:

Only use Leyton House Developers with Couture Silk colour to ensure a highly stable and pH balanced colouring system and maximum coverage and colour durability.

\* Breaking the base, or a base break, is used to blend the natural hair that is not highlighted in-between foils. It is used to break-up the darker roots that were not lightened, which helps remove any line of demarcation in your hair colour
