SIC-2312

Polyester 100%

Product feature

Soft and excellent texture.

Good to use with stretchable fabric.

Easy to sew and follow curves. Suggested use : Seam binding tape for T-Shirt , Side line on pants

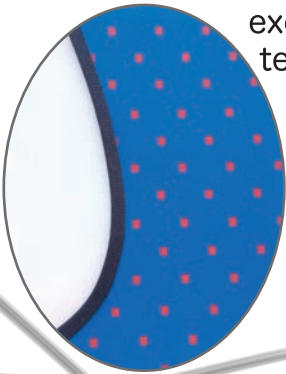

Bits of knowledge

The first knitted pieces date back to the 1st century BC in Egypt. Arabian nomads were also know to knit authentic fabrics, most notably, unique socks. Socks that we still use to this day. This technique spread to all the way to Europe.

Usage

Recommend to use for sleeves or collar as binder because of its excellent texture.

Thick enough to make a knot.

When using as a lace up and making direct skin contact, there is no discomfort because the soft texture of the tape.
