

BBA THE REAL BONE BUILDERS 1-DAY COMPACT COURSE

Including HANDS-ON

Dr. Frank Zastrow M.Sc.

is founder of the BBA Academy (www.bba-academy.com) and an experienced oral surgeon. He was Senior Physician at Prof. Fouad Khoury in the clinic of Schloss Schellenstein, Germany and since 2012 he is owner of the private clinic Dr. Zastrow&colleagues in Wiesloch, Germany.

He is an international speaker and specialised in Biological Bone Augmentation (BBA Concept). He is the founder of the international facebook group REAL BONE BUILDERS and his focus is the bone and soft tissue reconstruction in complex cases.

BBA THE REAL BONE BUILDERS 1-DAY COMPACT COURSE

In many cases bone augmentation is necessary before implants can be inserted. Additionally, the soft tissue management can be a decisive factor for the implant success.

In all cases the "Goldstandard" of using autologous bone is in competition with the use of Bone Graft Material products.

This course with hands on workshop is addressed to all clinicians, who have already own experience in augmentation and want to learn safe and predictable bone harvesting and augmentation techniques for different clinical situations.

Clear guidelines for the use of augmentative procedures like autogenous bone grafting and advanced soft tissue management in order to achieve predicable results will be provided by the oral surgeon Dr. Frank Zastrow.

In the 'Simulation' session relevant bone harvesting and augmentation techniques will be simulated and trained on synthetic models.

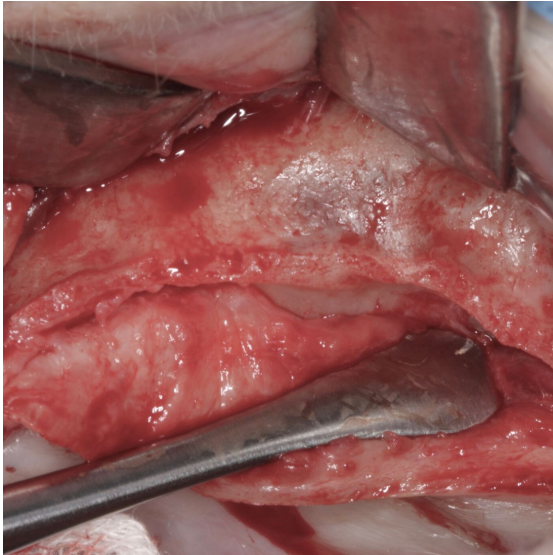

This course is limited to 30 participants.

BBA THE REAL BONE BUILDERS

1-DAY COMPACT COURSE

ONE
DAY

TRAINING DAY

09:00 09:30 Introducing words

09:30 11:00pm First lecture about the 'BBA Concept':
Biological Bone Augmentation- what are the Basics, where are the Limits

11:00 12:00pm Advanced soft tissue management techniques
(Kazanjian Vestibuloplasty, Apical repositioned flap, Roll flap)

12:00 01:00pm Complication treatment

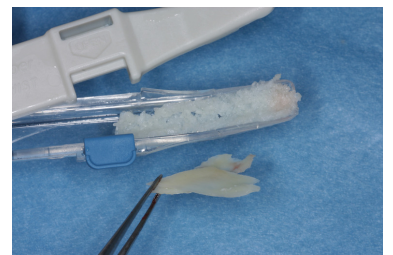

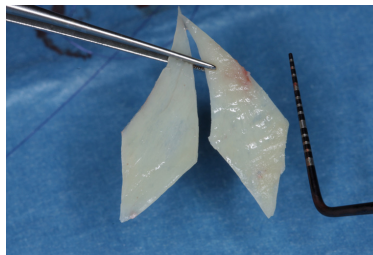

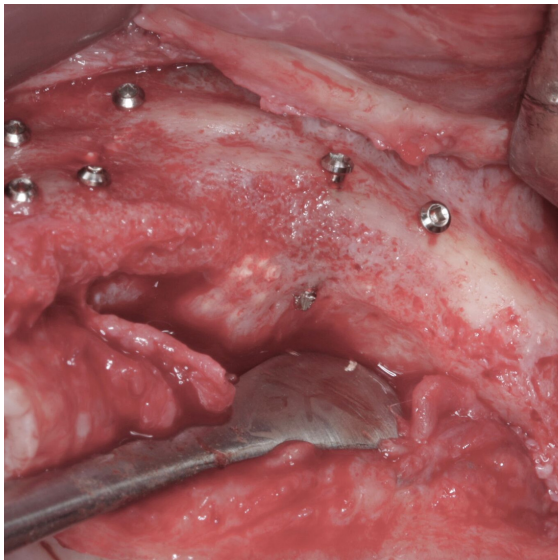

01:00pm 02:30pm Lunch

02:30 04:00pm HANDS ON PART I Bone harvesting: Cortico-spongy bone block, cortical bone shells

04:00 05:00pm HANDS ON PART II: Lateral bone augmentation with Bone Shells

04:45 05:00 Closing words

05:00 05:15 Certificates

COURSE INFORMATION

Hands-on workshop limited to 30 delegates

Full day fee including lecture, workshop, 2xlunch and 1xdinner

To register for the workshop, lecture registration is mandatory.

Registration will be confirmed upon receipt of payment on a first come first served basis.

Cancellation fee is \$800 up to forty five (45) days prior to each program. After that date, there will be no refunds.

EBA Systems GmbH may cancel scheduled courses up to thirty (30) days prior to the scheduled start of the course if certain attendance minimums are not met.

EBA Systems GmbH is not responsible for reimbursing prepaid (including non-refundable) customer travel costs. It is recommended that customers who elect to incur travel costs for a training course, schedule and purchase airfare and hotel accommodations with this in mind.

By registering for the course, you agree that visual material from the course may be used for promotional purposes. An objection is possible by separate written notification to the BBA Academy.
