Eagle-100 Gate Operators for Swing Gates up to 18 ft. and 600 lbs

The Eagle-100 Residential Swing Gate Operator comes standard with the features you most often need.

- Want your transmitter to work like a 3-button station—click to open, click to stop, and click to close? Simply select Stop-Reverse on the Diamond Control Board.
- Need the exact amount of Open/Close Delay for dual leaf gates—The precise delay is programmed in the Diamond Control Board
- Partial Open, One Pass, Stop-Reverse, and more ... Advanced Features come standard.

Establish full communication between master and slave operators with only two wires. With Eagle's Global Inputs, you can now connect accessories to the master or slave operator.

Operation of dual leaf swinging gates has never been easier.
