Searching for a stunning costume? You've come to the right place!

There are 4 ways to order a semi custom or fully custom costume through SewCC! The first page gives a brief overview of each option. Full details can be found on pages 2-4. Feel free to reach out to us at [1sewcc@gmail.com](mailto:1sewcc@gmail.com) with any questions.

**Essential** is our semi custom base line. All 6 bases are available in any color combination. These bases can be worn plain (great for contemporary!) or purchased to embellish. Prices begin at \$93. (This is a great option for embellishing on your own!)

**Sparkle** is another semi custom option. You'll choose from 6 base designs, select fabrics (virtually), and then add rhinestone and applique embellishments. Prices begin at \$150. (This is a great option if you want your costume to be delivered ready to hit the stage! You choose the design and details, and I'll bring it to life! Especially great for groups!)

**Glitz** is a more customized option! Your dancer will have a design meeting where they'll get to come in and choose fabrics, embellishments, and design alterations. They will begin by choosing from six base design silhouettes that can then be modified to a one of a kind costume. Prices begin at \$200. (Virtual design meetings are an option for non local dancers)

\*Glitz differs from Sparkle because of the additional variations that can be added! Sparkle allows rhinestones and appliques while Glitz allows rhinestones, appliques, feathers, fringe, unique strap combinations, specialty fabrics, design enchantments, and accessories!

**Diamond Deluxe** is the full package option- fully custom from scratch. Our #1 choice for solos! (This is what I have offered in the past!) Prices begin at \$250 and vary drastically based on the final design. Many costumes range from \$300-450.

### **Bonus options:**

**Ready to Ship** costumes are ready to hit the stage!! More costumes will be uploaded throughout the season, so keep an eye on this section!

**Shimmer Sets** are available to embellish your Essential base costumes!
