

8th Edition of the International Conference
From Science to Guidance and Practice
Bucharest, Romania, October 05th-06th, 2023

Announce the organization of
The 8th Edition of The International Conference
“From Science to Guidance and Practice”
5th – 6th October 2023,
Courtyard by Marriott Bucharest Floreasca,
Boulevard, Bulevardul Dimitrie Pompeiu 2 A,
București 020337, Romania

The Romanian College of Pharmacists, OF Systems, and Center for Drug Sciences of the Faculty of Pharmacy, University of Medicine and Pharmacy Carol Davila organize the 8th Edition of the International Conference from Science to Guidance and Practice. The event will take place at Courtyard by Marriott Bucharest, Romania. This event is an annual meeting co-chaired by highly respected scientists from Europe and the United States and focused on recent developments in the pharmaceutical sciences, in vitro dissolution and drug release methodologies, compendial chapters, analytical approaches, and the design of dosage forms, as well as software solutions and manufacturing equipment for the pharmaceutical industry.

This year we intend to continue our series of meetings organized under the auspices of the International Pharmaceutical Federation, FIP, as well as the EFC accreditation from the Romanian College of Pharmacists.

Periodically updated information on this website. You are kindly asked to provide the requested information to receive the preliminary and final version of the program, updates on the invited speakers who confirmed their participation and the titles of their presentations, the abstracts, and additional materials. The registration is free of charge and will warrant access to the two days of the meeting, as well as to the slides of the presentation, with the permission of the speakers.

Please share this information with your colleagues from academia, the pharmaceutical industry, regulatory agencies, and research institutes from Romania and abroad.

The conference has been credited by the College of Pharmacists in Romania with **24 EFC Credits**. At the end of day one will be organized two workshops. After fulfilling the workshops Competence certificate may be obtained.

Looking forward to meeting you in October,

The organizing committee.

8th Edition of the International Conference
From Science to Guidance and Practice
 Bucharest, Romania, October 05th-06th, 2023

Scientific Program, Day 1 - October 05th, 2023

Day 1 October 05 th , 2023	Topic	09:00-09:30	Registration of participants	
		09:30-09:45	Opening ceremony	
		09:45-10:15	Dr.Vinod P. Shah <i>Pharmaceutical consultant</i> Ph.D, FAAPS, FFIP United States of America	A look at Nonbiological Complex Drugs (NBCD)
		10:15-10:45	Prof.Jean-Michel Cardot SAS BORVO France	In vitro and in vivo assessment for lozenges
		10:45-11:15	Samir Haddouchi <i>Managing Director</i> SOTAX Pharma Services France	<i>Topic: Automation of existing methods</i>
		11:15-11:30	Coffee break	
		11:30-12:00	Dr.Johannes Krämer <i>(to be confirmed)</i> Eurofins, Germany	<i>Title to be confirmed</i>
		12:00-12:30	Anna Pennemann <i>Formulation & Process Development Pharmaceutical Services</i> Glatt Pharmaceutical Services GmbH & Co. KG, Germany	Fluidized Bed Processing for Tailored Drug Release
		12:30-13:00	Dr.Flavian Ștefan Rădulescu Center for Drug Sciences, UMFCD Bucharest, Romania	An update on the in vitro drug release methodologies for topical semisolid drug products
		13:00-14:00	Lunch break	
		14:00-14:30	Laurent Zoppi <i>Europe Market Manager</i> <i>Materials Characterization</i> Mettler-Toledo SAS, France	DSC5+, The New Standard An Advanced Heat Flux DSC Operated in the Power Compensation Mode
		14:30-15:00	Laura Esther Martinez Torres <i>Market Manager Lab Rainin</i> Mettler-Toledo Sales International GmbH, Spain	Asset management Pharma: Cost control through asset management. ISO Pharma: ISO 8655 understanding the new changes
		15:00-15:30	Philipp Beutler <i>Application Specialist, Material Characterization</i> Thermo Fisher Scientific, Germany	Benefits of Rotational Rheometers for Quality Control of Pharmaceutical Semisolids
		15:30-15:45	Coffee break	
		15:45-17:00	Laura Esther Martinez Torres <i>Market Manager Lab Rainin</i> Mettler-Toledo Sales International GmbH, Spain	Workshop: GPP. Improving results through Good Pipetting Practices*
			Philipp Beutler <i>Application Specialist, Material Characterization</i> Thermo Fisher Scientific, Germany Dr.Flavian Ștefan Rădulescu Center for Drug Sciences, UMFCD Bucharest, Romania	Workshop: Benefits of rheometer in microstructural characterization of semisolids*
		17:00	End of the first day	

* Competence certificate.

8th Edition of the International Conference
From Science to Guidance and Practice
Bucharest, Romania, October 05th-06th, 2023

Scientific Program, Day 2 - October 06th, 2023

Day 2 October 06 th , 2023	Topic	09:30	Start of the second day		
		09:30-10:00	Philipp Neumann <i>Sales Director</i> Schmidt + Haensch GmbH & Co., Germany	IQ/OQ procedures with traceable standards at the example of polarimeter and quartz plates	
		10:00-10:30	Artur Strzalkowski <i>Channel Sales Manager Europe East</i> BINDER GmbH, Germany	Let's go GREEN together. Energy cost saving solutions in stability testing, incubation, and cold storage.	
		10:30-11:00	Björn Brodbeck <i>Application chemist purification</i> BÜCHI Labortechnik AG, Switzerland	Supercritical Fluid Chromatography and the relevance of column screening	
		11:00-11:15	Coffee break		
		11:15-11:45	Carlos Emilio Rosas <i>Global Business Development Manager</i> Mettler Toledo International	Data Integrity in the Digital Transformation Era	
		11:45-12:15	Tatiana Onisei, Bianca Tihuan National Research and Development Institute for Food Bioresources, IBA Bucharest	National and European regulations on legal sales of dietary supplements. CBD Case study Tatiana Onisei, Bianca Tihuan, Adina Raducanu, Manuela Rascol	
	12:15-12:45	Panel discussion. Closing ceremony
