Domestic 

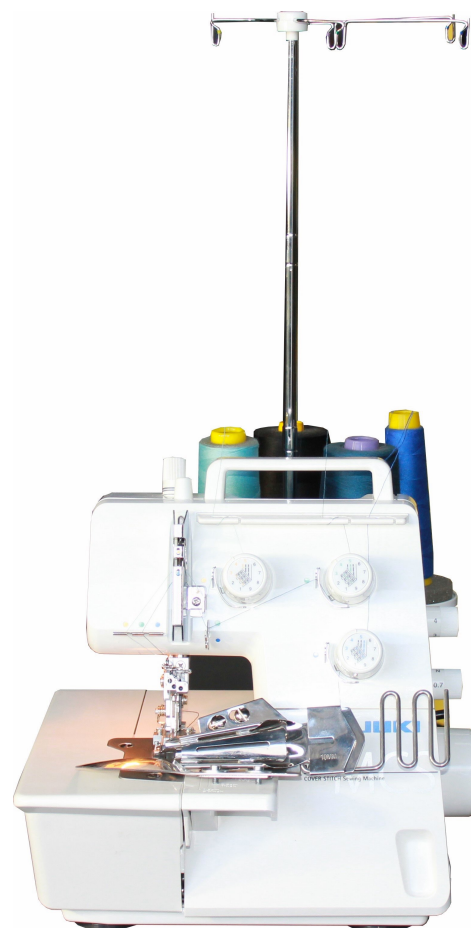

## Collarette Binding Kit to suit Juki MCS-1500 series

RRP \$139.99 incl. GST

\*\* Postage charge may apply.

MCSBINDERKIT

Easy to install with step by step instructions included, this functional commercial grade attachment will have you binding like a pro in no time. The kit includes a common sized 10mm (1cm) finish top and bottom fold double turn binder attachment for professional, clean results. Once completed, simply remove the binder from the mount bracket in place ready for next time you need it.

All of the required hardware is included to simply install on your Juki MCS-1500 overlock machine.

Contact your Juki domestic machine dealer to place your order.
