

## 4900 Bunk Bed Staircase Installation

1. Lay the unit on its side and remove the two shipping blocks (picture A)
2. Remove the four screws from the back. (picture B)
3. Carefully remove the bottom drawer.
4. Tip the unit upright.
5. Position the staircase against the end of the bunk bed and secure the staircase to the bunk bed with the Velcro strap. (picture C)
6. Roll in the bottom drawer.
