Fingerstyle Guitar

Flying Fingers

Authentic & Accurate Fingerstyle Guitar Anthology
There has never been a collection of fingerstyle repertoire like this one. Beginning with the roots of fingerstyle along with works of 20th century masters and a legion of modern pioneers, the sheer scope of this collection makes it a must-own for all fingerstyle guitarists. This truly one-of-a-kind book covers an expansive and eclectic variety of styles and techniques, including modern innovations like percussive gestures and two hands on the fingerboard. Over 50 artists are featured, each represented by a single, characteristic piece. All songs are shown in standard notation and tab and include special historical and performance notes. Artists featured include: Chet Atkins, Pierre Bensusan, Reverend Gary Davis, John Fahey, Tommy Emmanuel, Mississippi John Hurt, Robert Johnson, Jorma Kaukonen, Adrian Legg, Andy McKee, Jerry Reed, Doc Watson, and dozens more.

Faber Piano Adventures

FABER
PIANO ADVENTURES®

Piano Adventures – Scale and Chord Book 3

HARMONY IN MOTION
by Randall Faber

Scales and arpeggios are the backbone of confident, polished playing. Practicing these two pillars of technique develops dexterity and speed. When combined with essential music theory patterns, the result is “harmony in motion.” Not just a reference for technical progress, Scale and Chord Book 3 encourages a focus on touch and sound, especially the feel of the black keys under the hands. Late intermediate and advancing students learn to perform multi-octave scales and arpeggios with fluency. Transposition exercises emphasize understanding of tonic, dominant, and leading tone. Gestural marks direct the integration of

wrist motion. And, importantly, study of chord progressions provides the toolset for analysis, improvisation, and composition.

Karl Jenkins – Miserere
SONGS OF MERCY AND REDEMPTION
Boosey & Hawkes
Miserere: Songs of Mercy and Redemption is a sequence of reflections on the theme of mercy, in response to the recent and ongoing tragic conflicts in the Middle East and other regions. Woven around verses selected from Psalm 51, the inspiration for composers from Allegri to Pärt, the work features an eclectic range of settings of Rumi, St Thomas Aquinas, Isaac Watts, Carol Barratt and Dylan Thomas. Scored for counter-tenor (or mezzo-soprano), solo cello, mixed chorus, strings, harp and percussion, *Miserere: Songs of Mercy and Redemption* is a profound meditation on humanity and atonement, from the composer of *The Armed Man: A Mass for Peace*, *Requiem*, *The Peacemakers* and *Stabat Mater*.

Legato Espressivo
DAILY SONORITY EXERCISES FOR FLUTE
by Carlo Morena
Ricordi

When discussing flute performance practice, the term “legato espessivo” (“expressive legato”) is used to refer to fluidity of phrasing and naturalness of expression, both fundamental aspects in the search for a good sound. The goal of this method is to offer a daily training plan that will help to improve this aspect, through 10 series of exercises, each aimed at solving a specific technical challenge (speed control, wide leaps, high notes, evenness of sound, slurred scales, etc.). Carlo Morena’s work has the advantage of being pleasing and manages to avoid the usual repetitiousness of technical exercises, drawing upon the student’s own musical sense.

Easy Contemporary Marching Band (Gr. 2-3)

Old Town Road

arr. Paul Murtha

Recorded by American rapper Lil Nas X and joined in the music video by country singer Billy Ray Cyrus, this mega hit stayed #1 on the Hot 100 pop chart for a record-breaking 19 consecutive weeks! Perfect for the stands, this fun arrangement will sound great with limited rehearsal.

03746358 Score and Parts \$55.00

Ain't No Mountain High Enough

arr. Michael Brown

First recorded by Marvin Gaye and Tammi Terrell in 1967, this Motown classic has enjoyed continued popularity including a feature spot in the blockbuster movie *Guardians of the Galaxy*. Here is a powerful version for the field or stands, but also quick to learn.

03746394 Score and Parts \$55.00

Señorita

arr. Michael Brown & Omar Carmenates

Featuring a sultry medium tempo Latin groove and catchy melodies, this hit by Shawn Mendes and Camila Cabello is perfect for dance numbers or played from the stands.

Berklee Press

A Modern Method for Guitar – Complete Method

VOLUMES 1, 2, AND 3 WITH 14+ HOURS OF VIDEO AND 123 AUDIO TRACKS by William Leavitt

The William Leavitt Modern Method for Guitar, used as the

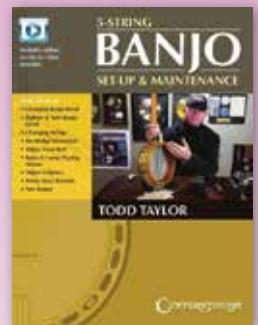

basic text for the Berklee College of Music guitar program, has stood the test of time and earned a vast and loyal following of dedicated guitar students and instructors. By popular demand, Berklee Press has created a compilation of the original volumes 1, 2, and 3, including all audio and video tracks. Now, serious guitar students and instructors, from beginning through advanced, have the convenience of progressing through all three volumes of this classic guitar method in one comprehensive book. Innovative solos, duets, and exercises progressively teach melody, harmony, and rhythm. This edition contains audio and video produced by William Leavitt's students Charles Chapman and Larry Baione (who was his successor as chair of the Berklee Guitar Department), demonstrating the examples and providing play-along tracks for the ensemble exercises. 00292990 Book/Online Media \$49.99

The Post-Bop Drum Book

A COMPLETE OVERVIEW OF CONTEMPORARY JAZZ DRUMMING

by Mike Clark

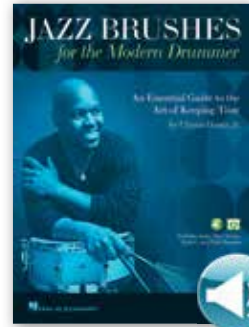

With *The Post-Bop Drum Book*, jazz/funk drumming legend Mike Clark provides a complete overview of contemporary jazz drumming. The book combines conceptual text with notated exercises, transcriptions and performance concepts covering bebop and post-bop drumming. Topics covered include: developing the ride beat, comping, triplet variations, advanced independence with the hi-hat as a fourth voice, the jazz waltz, rolls, fives and sevens, bebop phrasing, post-bop phrasing, straight-eighth phrasing, and more. Mike provides insight into his background and development, and shares his thoughts on developing your own voice, studying the masters, heritage and lineage, communicating with other musicians, listening, creativity, tuning, and much more. The package is rounded out by audio and video files of Mike performing many of the examples from the book.

Drum

Jazz Brushes for the Modern Drummer

by Ulysses Owens

The art of jazz drumming has greatly evolved through generations of players whose approaches have influenced styles, techniques, and even the tools with which

this music is played. No other tool is as immediately identified with jazz than the retractable wire brush used by drummers throughout the world. In this book, acclaimed Grammy Award-winning jazz drummer, composer, educator, and producer Ulysses Owens Jr. (Christian McBride, Gregory Porter, Ted Nash, Joey Alexander, and many others) explains the history of the development of the brushes in jazz along with exercises and illustrations to help you play with authenticity and ease.

The Hot Rats Book

A FIFTY-YEAR RETROSPECTIVE OF FRANK ZAPPA'S HOT RATS ALBUM
by Bill Gubbins with Ahmet Zappa
Rowman & Littlefield

"A movie for your ears" is how rock icon Frank Zappa first described his album *Hot Rats*, which remains, 50 years after its release, not only one of Zappa's most critically acclaimed and commercially successful albums, but a stunning tour-de-force of the totality of his musical genius

and legendary skills as a composer, lyricist, producer, arranger, studio innovator and virtuoso guitar player. To celebrate the 50th anniversary of this much-loved LP, Ahmet Zappa and the Zappa Trust have teamed with Backbeat Books and Bill Gubbins, the only photographer to document the Hot Rats sessions, to create *The Hot Rats Book*, a deluxe, commemorative book packed with never-been-seen-before photos and an interview between Ahmet Zappa and Bill Gubbins documenting the Hot Rats sessions and last U.S. show of the original Mothers of Invention on August 10, 1969 at Cleveland's Musicarnival in Warrensville Heights, Ohio. The Hot Rats Book is an official Frank Zappa book produced and written with the full cooperation and endorsement of the Zappa Trust. 180 pages, 10-1/4" x 10-1/4"

Steinberger

A STORY OF CREATIVITY AND DESIGN
by Jim Reilly
Foreword by Tony Levin

Steinberger: A Story of Creativity and Design tells the story of musical instrument designer Ned Steinberger. The book explores Steinberger's revolutionary contributions to the world of musical instrument design. The first instrument he ever created, the Spector NS-1 bass guitar in 1977, is still Spector's best-selling instrument design. With his next instruments, the Steinberger basses and guitars, Ned literally cut the head off the world of guitar and bass and redefined what the electric bass and guitar could be. Steinberger instruments defined a generation of musicians both sonically and visually and were played by the biggest artists of the day, including Sting, Bill Wyman of the Rolling Stones, and Eddie Van Halen. Never one to slow down, Ned moved from electric guitars and basses to bowed electric instruments.
