

Industrial Batteries

As a producer of industrial batteries under the Waste Batteries and Accumulators Regulations 2009, Quality Source Ltd produce LiFePO₄ Lithium Ion batteries. We are obliged to take back free of charge, waste industrial batteries supplied to an end user for treatment and recycling. We are required to do this in any calendar year we place new industrial batteries on the market. If any of our customers or in certain cases other end users, require us to take back Industrial batteries, they should contact us by email at: Info@qualitysource.co.uk Telephone +447981 855670 or post: 3 Roach Vale, Colchester CO4 3YN UK. We will agree the necessary arrangements for the return, proper treatment and recycling of the waste industrial batteries.

Automotive batteries

As a producer of automotive batteries under the Waste Batteries and Accumulators Regulations 2009, we Quality Source Ltd are obliged to collect, free of charge and within a reasonable time, waste automotive batteries for treatment and recycling from final holders e.g. garages, scrap yards, end-of-life vehicle Authorised Treatment Facilities, Civic Amenity Sites, etc. We are required to do this in any calendar year we place new automotive batteries on the market.

If you require us to take back any automotive batteries, please contact us by email at: Info@qualitysource.co.uk Telephone +447981 855670 or post: 3 Roach Vale, Colchester CO4 3YN UK. We will agree the necessary arrangements for the collection, proper treatment and recycling of the waste automotive batteries.
