Our Purpose

The Roger Clemens Foundation is an entity dedicated to helping children. It was established in 1992 by Roger and Debbie Clemens in order to ensure funds raised by the Foundation through golf tournaments, silent auctions and other events, would be properly distributed to the charities and organizations they have committed to support.

The Foundation exists for the purpose of carrying on and supporting educational, charitable, literary, scientific and religious activities for children, with a special emphasis on underprivileged and at-risk children, and children with special needs.
