Our Purpose

The Roger Clemens Foundation is an entity dedicated to helping children. It was established in 1992 by Roger and Debbie Clemens in order to ensure funds raised by the Foundation through golf tournaments, silent auctions and other events, would be properly distributed to the charities and organizations they have committed to support.

The Foundation exists for the purpose of carrying on and supporting educational, charitable, literary, scientific and religious activities for children, with a special emphasis on underprivileged and at-risk children, and children with special needs.

Rocket Recap

March Mission

Our Foundation had their own “March Madness” as Roger and Debbie had several appearances in March where the Roger Clemens Foundation was represented and introduced to new audiences. It was wonderful to see the response from individuals who were told about the great works of our Foundation.

Roger was on hand March 13th at the Houston Livestock Show & Rodeo where he spoke to the calf scramblers before their competition. The Calf Scramble event is one of the oldest, most popular events every night during Rodeo Houston. Participants are to chase and catch of a calf which will earn them a certificate for a college scholarship opportunity. Roger helped motivate the scramblers and provided words of encouragement as well as a few life lessons on adversity.

Roger and a few family members were special guests of Nina and Edd Hende at a Taste of Texas luncheon. The Hendees' were unveiling their latest acquisition to their restaurant's magnificent historic décor – interior doors of the Alamo Chapel. It was such a special honor to support and see how much their friends help students in our community with tours of historic stories surrounding the décor.

Roger and Debbie attended the CONEXPO CON/AGG in Las Vegas on March 16th where Roger was invited by Mi-Jack Products to mingle with their special guests and watch some of the March Madness basketball during downtime from the largest construction show. He had some one-on-one time with the company and provided a summary of what his Foundation has accomplished over the years.

Roger had two appearances for ESPN recently, one for Buster Olney with Baseball Tonight and the other for the Houston Astros home opener as a guest game analyst. Both opportunities were great to plug his Foundation when asked where he spends his energies since retirement.

Thank you to all those who provided a platform to help spread the word about the Roger Clemens Foundation. Your support is always appreciated.
