## Our Purpose

The Roger Clemens Foundation is an entity dedicated to helping children. It was established in 1992 by Roger and Debbie Clemens in order to ensure funds raised by the Foundation through golf tournaments, silent auctions, and other events, would be properly distributed to the charities and organizations they have committed to support.

The Foundation exists for the purpose of carrying on and supporting educational, charitable, literary, scientific, and religious activities for children, with a special emphasis on underprivileged and at-risk children, and children with special needs.

On May 17<sup>th</sup>, Roger & Debbie hosted the Kickoff VIP Party at their home for the LLSF Legacy Gala which will be held on September 30<sup>th</sup>. The evening was full of memorable “wins” as Roger held a basketball shootout & baseball hitting contest in his gym for the attendees. Our Foundation not only celebrated the LLSF top supporters and volunteers, but also raised funds for LLSF. Go online to [www.lindalorelle.org](http://www.lindalorelle.org) to learn more.

### Rocketman Experience

Waste Connections held their first of two Rocketman Experiences for this year on Sunday, May 21<sup>st</sup>. Their group had a one-on-one batting clinic with Roger at his home gym. They were given a look at his record seven Cy Young Awards and then headed to a Houston Astros game where Roger joined them in the suite for more one-on-one. Waste Connections has long been a supporter of the Roger Clemens Foundation and we thank them for their continued support of the children's charities we assist. Always great to have them out for the experiences.
