

# Grind Size Chart

Use this as a reference to identify your grind type!  
We use a BUNN commercial grinder for online & in store coffee orders, so this guide is meant to line up with the grind settings on that grinder (but can definitely be used as a comparison chart for your home grinding!)

## COARSE

French Press, cold brew

## MEDIUM COARSE

Vacuum brewers, Chemex

## PERCOLATOR

(Finer than medium coarse)

## MEDIUM (Flat bottom filter)

Basket drip machines, Keurig®  
refillable capsules

## MEDIUM (Cone Filter)

Cone style automatic & pour-over  
(Hario, Melitta, Clever)

## MEDIUM FINE

Moka Pot, Stovetop espresso  
brewers, Aeropress.

## FINE

Espresso machines

## EXTRA FINE

Turkish coffee
